Police seek suspect in fraternity burglary

WEST LAFAYETTE, Ind. - Purdue University police are seeking a man in connection with a Wednesday (June 11) morning burglary at the Alpha Kappa Lambda fraternity house, 417 Waldron St.

According to a police report, witnesses reported seeing a man in the house around 8:40 a.m. that they believed was a maintenance worker. Sometime after the man left, residents of the house noticed several items - including a camera, a watch and a jar of change - were missing from their rooms.

The suspect was described as a balding white male 30-40 years old, about 6 feet tall and weighing approximately 200 pounds. He was wearing a blue button-up, collared shirt and khaki shorts. Based on the description, police were able to create a composite sketch of the man.

Anyone with information about the case or who has seen suspicious activity in the area is asked to contact the Purdue Police Department at (765) 494-8221.
