**GRADUATION RATES**

The graduation rates are available starting with the cohort for the fall semester 1996-97. The graduation rates are calculated for the full-time, degree-seeking students who completed their undergraduate program within 150 percent of normal completion time. Information on completion, retention or transfer-out rates is available upon request.

**STUDENT CONSUMER INFORMATION**

Purdue University is recognized as one of the nation’s finest higher education institutions. We are proud of this distinction and welcome inquiries about our programs and services. The following list contains a brief description of various important pieces of information about Purdue, websites to view this information, and addresses and phone numbers of the offices from which you may request the information. Additional information about specific programs and University services is available from the individual schools and institutional departments.

The Student Consumer Regulations of the United States Department of Education require universities to provide students access to certain information that they are entitled to as consumers. Purdue University annually distributes this document via email to all enrolled students; the document is also available through the website, www.purdue.edu/consumer.

---

**COMPLAINT RESOLUTION FOR DISTANCE LEARNING**

Purdue is committed to providing distant students with an exceptional educational experience that is transparent, efficient, stimulating and fair. If, as a prospective or current student, you feel that your experience with a distance learning course or program from Purdue has not lived up to those standards, you may register a complaint. Information on this process can be found at https://www.distance.purdue.edu/complaint.asp.

**ABOUT PURDUE UNIVERSITY 2012-13**

An equal access/equal opportunity university
The Family Educational Rights and Privacy Act (FERPA) affords students certain rights with respect to their educational records. They include the right to: 1) inspect and review educational records; 2) request an amendment to these records; 3) consent to disclosures of personally identifiable information in these records; 4) restrict disclosure of information designated as directory information that may be released without consent of the student; and 5) file a complaint with the U.S. Department of Education for alleged failure by Purdue University to comply with FERPA requirements.

http://www.purdue.edu/policies/records/viia4.html

### Health Insurance Portability and Accountability Act (HIPAA)

The Health Insurance Portability and Accountability Act of 1996 (HIPAA) and the Health Information Technology for Economic and Clinical Health (HITECH) create a framework to protect the privacy and security of patient and health plan member health information. Purdue supports the goals of HIPAA and HITECH and documents its commitment to comply in its “Compliance with HIPAA Privacy Regulations” policy. View the compliance policy at:
www.purdue.edu/policies/records/viia1.html.

Information regarding how student health information will be used or disclosed is described in the Notices of Privacy Practices. The specific notices associated with a particular covered area may be viewed at www.purdue.edu/hipaa.

Information about student health information that may be released without consent of the student; and 5) file a complaint with the U.S. Department of Education for alleged failure by Purdue University to comply with HIPAA requirements.

### Services and Facilities for Students with Disabilities

The Disability Resource Center of the Office of the Dean of Students coordinates academic adjustments, auxiliary aids and services for students with permanent and/or temporary disabilities. A Disability Resource Center accommodation specialist works individually with each student to determine the most appropriate accommodations based on the student’s relevant documentation and specific needs. Academic accommodations, auxiliary aids and services are designed to allow students to fully participate in course activities, materials and evaluations.
