## Welcome to The Next Level

All skill levels are welcome.

### FAQ

#### Are their costs associated with participating?

Yes. Most organizations charge dues to cover operating expenses for the club. Although some funding is available through Rec Sports, the clubs must charge dues and complete fundraisers to offset travelling, equipment, and other costs.

#### What is the commitment like?

It varies by club. Some clubs are more instructional based and simply practice with minimal travel. Other clubs are competitive and travel frequently competing against other club teams.

#### Who manages the club?

All clubs are student run and the club officers, under the guidance of their advisor and the Club Sports Administration, manage the team, plan events, schedule competitions, and more.

#### I've never played the sport before. Can I still join?

Any student, faculty, or staff member who is interested in learning about a club is eligible to join. Clubs may limit their travel or game roster. For most clubs, nobody will be turned away from club practices.

#### How do I join or get more information?

Most clubs have a callout at the beginning of the school year to share info with new recruits. Anyone interested should attend the callout or contact the club president directly. President contact information can be found on the Rec Sports website at:

### HOW DO I SIGN UP?

All clubs have a callout date, which is a great way to get information and see if the club is a good fit for you. For a complete listing visit:

[http://www.purdue.edu/recsports/programs/club\\_sports/](http://www.purdue.edu/recsports/programs/club_sports/)

### ARE THERE OTHER CLUBS?

Purdue has literally hundreds of clubs to choose from, but not all partner with Recreational Sports. If you don't see your favorite activity listed on the inside of this brochure, visit: [www.purdue.edu/getinvolved](http://www.purdue.edu/getinvolved)
