Introduction

The Intramural Sports Program is designed to provide an experiential learning opportunity for the entire Purdue University community through participation in organized activities. We strive to encourage lifelong recreation skills, to integrate participants socially in an athletic setting, and to foster a spirit of sportsmanship and fair play among participants and spectators. To accomplish this goal, the Intramural Sports Program offers a wide variety of team and individual activities. Teams and individuals participating in the Purdue University Intramural Sports Program should do so with the attitude that good sportsmanship is an integral part of the activity. The policies and procedures set forth in this publication will be used as guidelines to apply toward the Intramural Sports Program. The Intramural Sports Office reserves the right to amend, alter, or dissolve any of these guidelines or policies for the enhancement of the program. All participants are expected to comply with the spirit as well as the letter of these policies.

Any participant, coach, or fan that is ejected from a Purdue University Intramural Sports contest is immediately ineligible from further competition in Intramural Sports until he/she meets with the Intramural Sports Staff. It is the individual’s responsibility to schedule an appointment promptly with the Intramural Sports Staff to review his/her behavior and individual suspensions are only effective after a meeting (i.e. no self-imposed penalties). If the team captain still does not agree with the decision of the Intramural Sports Supervisor, a Protest Form should be completed immediately according to Section 10, Article 3 (Filing a Formal Protest). Any protest concerning player eligibility in a contest in which the protesting team participated must be filed according to Section 10, Article 3 (Filing a Formal Protest). A Protest Form should be filed at the game site or the Intramural Sports Office. When protesting eligibility, a team must protest (a) specific individual(s). Entire teams cannot be “blanketed” by protest. If a player is found to be ineligible, his or her team will default all contests in which the ineligible player participated in. If a player is determined to be ineligible after the protest deadline, that player will be unable to participate in future contests. The team, however, will not incur a default.

Article 3: Filing a Formal Protest
A team captain must file a formal protest with the Intramural Sports Supervisor at the game site or with the Intramural Sports Office no later than 12:00pm the next business day following the contest.

The Intramural Sports Office will rule on protests the following business day by 5:00pm. The ruling will be sent, in writing, to the team captain. If a game is to be replayed or restarted from the protest point, the Intramural Sports Department will schedule the make-up.
