

## UniTime Update: Error Messages

Recent upgrades in UniTime are now available. Errors will now display as a pop up message indicating the student needs to take action in some way. Error messages will not prohibit the advisor from completing the Advisor CRF and pushing it over to the student; however, the student will not be able to submit their CRF until the hold/error is resolved. Below are four examples of different error message scenarios.

### 1. Advisor Course Recommendation view:

Even if a student has a hold, the advisor can still fill out and submit the Advisor CRF.

The screenshot shows the 'Advisor Course Recommendations' form in UniTime. At the top right, the title 'Advisor Course Recommendations' is highlighted with a red box. Below the title, the user 'Muller, Tomas' is logged in for the 'Spring 2021 (PWL)' session. The form includes fields for 'Student's Name: Student, Ima Test', 'Email: muller@purdue.edu', 'PUID: 13181322', and 'Term: Spring 2021 (PWL)'. A red banner with an exclamation mark icon displays the error message 'Registration Hold'. Below this, there is a table for 'Advisor Course Recommendations' with columns for 'Priority', 'Course', 'Title', 'Credit Hours', and 'Notes'. Three rows are visible, each with a priority field and a course selection dropdown.

### Advisor Online Dashboard View:

In the Online Dashboard, the advisor can also see the error message.

The screenshot shows a pop-up window from the UniTime Advisor Online Dashboard. It has tabs for 'Advisor Recommendations', 'Course Requests', 'List of Classes', and 'Time Grid'. The 'Course Requests' tab is active, showing a table with columns 'Priority', 'Course', 'Title', 'Credit', 'Critical', and 'Requested'. The table contains the text 'There are no course requests.' Below the table are buttons for 'Advisor Recommendations' and 'Close'. A red banner at the bottom of the window displays the error message 'Registration Inactive' and 'Registration Hold' with an exclamation mark icon.

### Student Course Request View:

This is what the error looks like for the student. The student cannot Submit Requests.

The screenshot shows the 'Student Course Request View' in UniTime. It features tabs for 'Degree Plan', 'Advisor Recommendations', and 'Current Registration'. A 'Submit Requests' button is visible in the top right. A red banner with an exclamation mark icon displays the error message: 'You are not allowed to make any changes at the moment. Please contact your advisor if you need to make a change. However, if you have any pending overrides, you can provide/update the note by clicking on the registration error.'

**2. Student List of Classes View :**

Here is an example of a student who has requested courses and then afterwards had a hold placed on their account. If the hold is resolved prior to the final batch, the student will remain in the batch as normal.

Subject	Course	Type	CRN-SectionId	Avail	Days	Start	End	Date	Room	Instructor	Requires	Credit	Enrolled
ANSC	10200								Not assigned.				09/15/2020
BIOL	11000								Not assigned.				09/15/2020
ENGL	10600								Not assigned.				09/15/2020
PSY	23500								Not assigned.				09/15/2020
Free	Time				MTW	12:00p	1:30p						

**3. Student CRF Course Not Offered View:**

In this example, a student has tried to request a course that is not offered, and an error message in the CRF will display.

UNI TIME [Click here to log out.](#) [Click here to change the session.](#)

Degree Plan | Current Registration | Submit Requests

**Course Requests**

1. Priority psy 23900 + 🔍 ✕

*Course psy 23900 is not allowed or does not exist.*

Validation failed: Course psy 23900 is not allowed or does not exist.

**4. Student Session Expired View:**

Sometimes a student can't submit because they timed out due to inactivity. The student simply needs to log in again.

Registration failed: Enrollment disabled.
