Instructions for Completing the Residence Classification Form

It is very important that you, and your parent(s) if you are unemancipated, read the following instructions before completing the Residence Classification Form.

General Information for All Applicants

1. Before filling out the application, please read Purdue University’s *Residence Classification of Students for Tuition Purposes* policy available online at http://www.purdue.edu/policies/business-finance/iid1.html to understand the regulations that must be satisfied to be re-classified as an Indiana “in-state” resident for tuition purposes.

2. The applicant must respond in full to each item on the application. If an item is not applicable, please indicate with an “N/A” in the blank.

3. An application with missing or incomplete information will not be reviewed until all necessary documents have been submitted.

4. The application must be signed and dated by the applicant (and the applicant and parent/guardian if the applicant is unemancipated). Unsigned forms will be returned unprocessed.

5. The applicant must provide the required documentation listed on page 2 of the instructions (i.e., copies of Indiana driver’s license, Indiana vehicle registration, entire state and federal income tax returns, W-2’s, lease/mortgage, voter’s registration card, bank account statement, etc.) with the classification form. All copies must be clearly legible. *Please note that all tax documents and leases submitted must be signed and dated.*

6. Return the form and all documents to:

   **Office of the Registrar**
   Purdue University
   610 Purdue Mall

   Fax: (765) 494-0570

   *Students attending regional campuses should return their residence classification form and all accompanying documentation to the appropriate office on that campus.*

7. According to University Regulations: “A student’s application for classification as a Resident must be submitted in writing on a form supplied by the registrar any time after the Domicile requirement has been met, including one year of consecutive residence, but no later than 15 business days after the first day of classes of the academic session for which reclassification is sought.”

8. Upon receipt by the appropriate office, the completed application and supporting materials will be reviewed. Within 30 business days of the date received, an email containing a decision or a request for additional information will be sent to the applicant’s Purdue email address.
