Learning Communities Dining Card

Event Notes

Learning Community lunches are very popular and a great way to get to know your students on a more individual level. There are a couple options for this type of event:

- Weekly meals – Open it up to whoever can/wants to go
- Meal Buddies – Set up specific days for you to go with a group of students (different group every week)

Feel free to make your own plan and arrangements.

Business Notes

- Dining Card: The dining card should only be used for yourself and a learning community student that does not have a “swipe” card for them to eat in a dining hall. In most cases, students have their own meal plans so this is usually an inexpensive event. We ask that you return the dining card the next business day so that other instructors can use it.
