Rev. 8/17
4.01 Agenda

The agenda for a regular meeting of the senate, as prepared by the Steering Committee, shall be distributed to members of the Senate at least five days before that meeting.

In the case of special meetings, the agenda shall be available to members of the Senate at least two days before that meeting. The agenda shall indicate what Senate documents, reports and petitions are to be considered and shall provide for a question time. The agenda may be amended by the Senate by consent or by majority vote, except that only subjects specifically listed in the announced agenda for a special meeting may be considered at that meeting. After the agenda for a meeting has been accepted by the senate, the order in which items are dealt with, and specified allotments of time, shall be changed only by majority vote.

4.02 Reports and Documents

Normally, all matters brought before the Senate shall be in the form of a numbered report, if for information, or of a numbered document, if for action. Each proposed action shall be presented in a standard format which carries a document number, date, subject, and source references, as appropriate, and intended disposition. Committee reports shall list the names of the committee members with an indication of their respective vote.

In preparing documents for Senate consideration that involve a change of regulations, documents shall clearly show a comparison of the existing and proposed new regulations.

All documents which are to be submitted to the Senate shall be submitted to the Steering Committee for agenda assignment.

Documents will be introduced to the Senate on the agenda of a regular meeting with the designation “for discussion.” When so designated, amendments to the document may be proposed and discussed, but final action on the document and any amendments will normally await its appearance on the agenda for the next regular meeting of the senate, marked “for action.” Discussion of documents marked “for discussion” may be terminated by consent or by adoption of a subsidiary motion. Amendments cosigned by two or more members of the Senate and submitted in writing to the Steering Committee in time for distribution with the agenda for the next meeting will be so distributed.

When a document appearing on the agenda marked “for discussion” or an item introduced as new business is acceptable without amendment, it may be adopted without delay, after a suspension of the rules by consent or by a two-thirds majority of those
present and voting, by a two-thirds majority affirmative vote. Likewise, when a document appearing on the agenda marked “for discussion” or an item introduced as new business is considered to be of sufficient urgency to warrant full consideration and action without the customary delay, it may, after the adoption of a motion to suspend the rules, be amended by a two-thirds majority and/or adopted at that meeting by a two-thirds majority vote.

Items on the agenda for a special meeting will require a two-thirds majority vote of those present and voting for adoption. However, in the case of an item that has been presented for discussion at a regular meeting of the senate, a majority vote will be sufficient for adoption at a special meeting held prior to the next regular meeting of the Senate or within 30 days, if the original meeting is the last regular meeting of the Senate during the academic year, provided that the Steering committee has determined that: (a) the item is of such a nature that it cannot be acted upon at the next regularly scheduled meeting of the senate; and (b) circumstances are such that the item could not have been presented for discussion at an earlier, regular meeting of the senate.*

Documents submitted by the Nominating Committee placing names in nomination constitute an exception. Such documents shall be placed on the agenda, marked “for action” in the first instance and shall be acted upon as specified in Section 5.02 of these bylaws.

Documents submitted by the Student Affairs Committee recommending action on White resolutions shall be an additional exception. Such documents shall be placed on the agenda, marked “for action” at the first instance. * *

A faculty committee Chairperson may request the Senate to postpone action contemplated on matters which fall within the purview of that committee. An automatic one-month postponement should be granted the faculty committee so that it may make a recommendation. A two-thirds vote of the Senate would be required to deny such a postponement.

4.03 Voting

Decisions of the Senate shall be determined by a majority vote of those Senators present and voting, unless contrary requirements are specified elsewhere in these bylaws or in the University Code.

Upon all occasions when a majority vote is not apparent after *viva voce* voting, the presiding officer shall call for a vote by a show of hands.

Any member of the Senate may request that the vote on any issue be taken by secret electronic ballot. This request shall be granted without debate.***

When two or more persons have been nominated for the same elective position, the vote shall be by secret electronic ballot.***

4.04 *Advice of Faculty*

By a two-thirds vote of those senators present, the Senate may seek the advice and counsel of the faculty on any issue through a mail ballot.

4.05 *Attendance at Meetings*

Meetings of the Senate normally will be open to all faculty members, as observers, and to other persons invited to attend by the Steering Committee or the presiding officer. Members of the press will be admitted only by invitation of the Steering Committee. Representatives of the University News Service and of *The Purdue Exponent* normally will be invited to be present.

The Steering Committee, on the advice of the student senator, may invite other students to be present for a particular occasion.*

4.06 *Executive Sessions*

At any meeting, the president of the University may declare the Senate to be in executive session. By majority vote of the senators present, the Senate may declare itself in executive session. During the executive sessions, all visitors not explicitly designated for attendance by the presiding officer, or by majority vote of the senators present, shall be excluded, and remarks shall not be recorded.

4.07 *Quorum*

Fifty-one members of the Senate shall constitute a quorum. No substitute shall be permitted to serve during the absence of a senator. The presence of a quorum shall be determined by the sergeant at arms at the beginning of each meeting, and at other times at the request of the presiding officer. Upon instruction from the presiding officer, the sergeant at arms may attempt to secure the attendance of additional members of the Senate need to complete a quorum. (Once a Senate meeting begins, determination as to the presence of a quorum should be made only if a request for this comes from the floor of the senate.)

**ARTICLE V**

**SENATE COMMITTEES**

5.00 *Senate Committee Authority and Responsibility*

The University Senate shall establish its standing and special committees and shall define and limit their duties, responsibilities, and powers; these committees shall be directly responsible to the senate.

A majority or tie vote among the Senate members shall be sufficient to carry any issue.

Advisors and student members shall have full voice and vote on all matters, except for personnel selection, for the purpose of advising the committee, and the senate.

On documents sent to the Senate the vote of the Senate members and those of the advisors and student members shall be recorded separately for the information of the senate.

A special committee shall have tenure only during the academic year in which it is authorized, unless a definite term is specified in the authorizing motion, or it is continued by action of the University Senate.

5.02 Membership, Appointment, and Terms of Senators on Senate Committees

The Senate committees shall be constituted of senators, advisors to the Senate and students provided for in other sections of these bylaws.

Elections will be held annually at the last two regular meetings of the Senate to fill elective vacancies on each Senate committee for the coming year for terms beginning June 1, and at such other times as vacancies may need to be filled. The report of the Nominating Committee, including names proposed, will be circulated with the agenda for the meeting at which elections are to take place. At least one nominee shall be identified for each elective vacancy on each Senate committee, except that two shall be named for each vacancy on the Steering and Nominating committees. Members of the Steering and Nominating Committees shall be elected at the March meeting and members of other committees shall be elected at the April meeting. In each instance, nominations may be made from the floor. When the number of nominees exceeds the number of vacancies to be filled, election shall be by written ballot, and a plurality is sufficient to elect.*

Advisors to Senate committees shall be chosen in accordance with the provisions in section 2.00c. The Nominating Committee may recommend for Senate vote the appointment of ex-officio members to Senate Committees. Ex-officio members will be faculty members who are not Senators and bring valuable expertise to the respective committee. ARTICLE VI
LEGISLATIVE REVIEW BY THE UNIVERSITY FACULTY

6.00 Senate actions are subject to review and check of the University faculty through the following procedures:

a) Any action taken by the Senate may be returned to the Senate for mandatory reconsideration if, within two weeks after the Senate minutes covering the action have been mailed to the faculty, a petition by at least seventy-five faculty members stating the objections of the petitioners is received by the presiding officer of the Senate or, if absent from the campus, by the Chairperson of the Steering Committee. In such a case, a meeting of the Steering Committee shall be held as soon as possible. The Steering Committee shall determine the most effective method for consideration of the objections stated in the petition. It shall schedule the petition for consideration by the Senate at the earliest regular meeting, consistent with due consideration of the petition by an appropriate committee, or at a special meeting of the Senate called for an earlier date.

b) At any convocation of the University faculty, past actions of the Senate may be brought to the floor for discussion. If a majority of those present rejects a previous action of the senate, the Senate must reconsider its action at its next regular meeting. The Steering Committee will place the matter on the agenda for the next regular meeting of the Senate for reconsideration. If the agenda for the next Senate meeting has already been distributed, the Steering Committee shall attempt to give due notice to all members of the Senate and shall also attempt to arrange for appropriate committee consideration of the matter at issue.

If, in either of the above two procedures, the Senate reaffirms its original action in unamended form, the issue must be submitted, along with the appropriate documents summarizing the opposing views, to a mail ballot of the University faculty.
The result of the ballot shall be acceptance or final rejection of the senate’s reaffirmed action. The Steering Committee shall make appropriate arrangements for the handling of the mail ballot. It shall arrange for preparation of documents summarizing opposing views on this matter by appropriately selected individuals or groups of individuals; it may allow the presentation of a variety of views if proponents of these views present appropriate documents. The mail ballot must be sent out within two weeks of the senate’s reaffirming action, or at least five days before the date of the spring commencement, whichever is earlier. The decision of the majority voting on such a ballot within two weeks of its mailing shall be final.
