To: The University Senate  
From: University Resources Policy Committee  
Subject: Survey of Employee Opinion on Proposal to Rebalance Salary and TIAA-CREF Retirement Benefit  
Disposition: University Senate for Approval

WHEREAS: As part of the discussion of future budget considerations the administration has proposed a rebalancing of salary and TIAA-CREF retirement benefit, with the new retirement benefit reduced to 10% of salary from the current 14.6% (average) of salary and the rebalanced salary increased by a dollar amount equal to the proposed retirement reduction;  

WHEREAS: The rebalancing proposal has been advocated as a means of enhancing Purdue's competitiveness for new hires as well as providing employees with a greater choice in the distribution of their compensation;  

WHEREAS: The opinion of employees affected by the rebalancing proposal on this shift in compensation has not been assessed directly.  

THEREFORE, BE IT RESOLVED THAT:  

1. The University Senate should conduct a survey of employee opinion on this proposal, to include all faculty and staff receiving TIAA-CREF contribution benefits.  

2. The survey results should be reported to the Chair of the Senate.  

3. The survey will have the following form:  

An example of rebalancing:  

Current: salary + TIAA-CREF contribution = $60,000 + $8,640 = $68,640  

Rebalanced: salary + TIAA-CREF contribution = $62,400* + $6,240 = $68,640  

(* salary increase is subject to additional FICA and other income taxes; salary increase may be re-deferred to other retirement instruments)  

Survey Question: Do you favor the rebalancing proposal?
