Agreement No.:

Agreements with the Sponsor require that patentable developments and copyrightable materials be reported. Furthermore, we all have an obligation as a public institution to make every effort to assure that results of our scholarly endeavors benefit the public. To assist in accomplishing these objectives, please check the appropriate items to complete the following statement.

"I have reviewed my laboratory materials, reports, and/or other equivalent records, and the following have been developed during the course of work under the Subject Agreement":

- ☐ Inventions (discoveries) which may be patentable
- ☐ Copyrightable materials (except scientific journal articles)
- ☐ Computer Software
- ☐ NASA reportable items (NASA reportable items are defined as any invention, discovery, improvement or invention, whether or not patentable under the U.S. Patent Law.)
- ☐ **None** of the above

Comments:

Please sign and return this form to Sponsored Programs, Hovde Hall, as soon as possible in order to comply with the subject agreement. If you should have any questions, please contact me at 765-494-1527.
