Welcome to the Purdue family!

We want you to be happy and successful here. To help you get a head start, we invite you to attend Fall Welcome, a free orientation program for transfer students new to the Purdue West Lafayette campus.

Attending Fall Welcome will help you to:
- make a smooth transition to life on the Purdue campus
- meet other new transfer students
- gain valuable insight from current students
- learn about key resources
- tour campus before classes start

Parents and family members are invited to attend with you.

Hope to see you August 22!
