Guidelines for Boiler Gold Rush
Business and Activities Fair Participants

☒ Representatives cannot stand in aisles or in front of other group's tables and hand out literature – please stand behind your table.

☒ No Guns Allowed

☒ All representatives must staff their table for the duration of the fair. This includes arriving in a timely manner for table set-up and staying for the duration of the program.

☒ You are responsible for set-up and all supplies needed for your table.

☒ Please keep all materials on your table. Only appropriate information/literature can be distributed to students.

☒ Because of space constraints, if you cannot fit it on the table, you cannot have it in the armory.

☒ Displays cannot block the aisles or impede the view of another organization.

☒ Due to space constraints, no more than two representatives shall staff any table at any one time.

☒ It is essential that your organization divide give-away items and flyers into two groups, since there will be two groups participating- one at 11 am and the other at noon. Please have enough flyers/give-away for 2,500 people per time slot for a total of 5,000 items.

☒ If you have any questions, please e-mail The SATS office at SATS@purdue.edu or call at 494-9328.
