Purdue Promise Support Program
2014-2015 Purdue Opportunity Award Fifth-Year Senior Renewal Agreement

Because of special circumstances (co-op, semester-long internship, temporary stop-out for extenuating circumstances, etc.), I am receiving Purdue Opportunity Award funding during my fifth year.

I have accepted the Purdue Opportunity Award and agree to continue to participate in the Purdue Promise Support Program coordinated by Student Success at Purdue for as long as I am receiving the award.

As a fifth-year Purdue Promise Support Program participant, I agree to:

1. Meet the 2.5 cumulative GPA requirement each semester and remain in good academic standing by classification (based on number of credits earned), including meeting Satisfactory Academic Progress, to retain my Purdue Opportunity Award funding as well as other financial aid. This includes a limit on failing/incomplete grades and course withdrawals.

2. Remain a Purdue (West Lafayette) full-time student by taking at least 12 credit hours each semester (fall/spring). I understand I am strongly encouraged to take 15-18 credit hours each fall/spring semester to ensure that I am able to graduate in a timely manner.

3. Submit the FAFSA by the March 1st priority deadline every academic year, regardless of whether I will be in college or not, until graduation and submit any edits/corrections requested before May 15th.

4. Contact Purdue Promise if I am struggling with any of my classes. If my semester and/or cumulative GPA drops below a 2.0, I am placed on academic probation, and/or I am not in good academic standing, I agree to participate in an academic review (MAPS) with Purdue Promise. Part of this participation requires that I maintain regular contact with Purdue Promise staff, attend study tables and/or tutoring as directed, and complete grade checks as requested.

5. Authorize Purdue University to release my name, major, high school, hometown, and scholarship amount to the donor(s) of my scholarship and to confirm that all criteria for selection were met. In addition, I agree to send a letter of appreciation to the donor(s) and participate in events associated with any scholarship, award, or prize I may receive.

6. Meet and engage with my Purdue Promise Coach as needed. I understand that my Coach is available, in conjunction with my academic advisor, to support me in my academic, social, leadership, and life skills development.

7. Check my Purdue e-mail daily and read all electronic messages/updates sent by my Purdue Promise staff. I also agree to respond to all outreach by my Purdue Promise Coach and his/her supervisor(s).

8. Give my post-college contact information and plans to the Purdue Promise staff prior to graduation.

Purdue Promise commits to providing assistance to help you achieve success during your time at Purdue. To help you reach your goals, Purdue Promise has designed a number of programs, initiatives, and resources to support you. As a Purdue Promise Support Program participant, it is your responsibility to note the following recommendations.

As a Purdue Promise Program Participant, I understand that I should:

1. Strive for academic excellence. This includes attending all of my classes, studying regularly, and remaining in contact with my Purdue Promise staff, academic advisors, and course instructors.

2. Utilize Purdue Promise academic support resources (including tutoring and free printing) and/or seek referrals from my Coach to other academic (www.purdue.edu/tutoring) and personal support resources.
3. Work with the Student Employment Office to secure an on-campus job if I am offered Federal Work Study funds and I am seeking employment.

4. Update Purdue Promise staff and myPurdue with any changes in my contact information.

5. Discuss with a Purdue Promise staff member any concerns I may have regarding financial aid, employment, and/or personal life issues that may negatively affect my academic performance. Also address with my Purdue Promise Coach any of the topics noted on the “If you’re thinking about …” handout to be certain my scholarship(s) are not jeopardized.

Once my Purdue Promise funding is exhausted, I understand that the program has a “Once Purdue Promise, Always Purdue Promise” policy. I understand this policy allows me continued access to Purdue Promise resources, services, and support even when I am not receiving Purdue Promise funding. This includes:
- program tutoring from specially-trained Purdue Promise tutors and referrals to other academic resources;
- free printing in the Purdue Promise offices; and
- academic, social, leadership, life skills, and financial coaching from Purdue Promise staff.

I understand these requirements and agree to fulfill all of the responsibilities described above.

By checking the box below, I agree to participate in the Purdue Promise Support Program. I understand that through this program I have many resources that I can take advantage of should I find myself in need of guidance or support. I recognize these resources are provided to assist in my successful completion of a Purdue degree.

* Financial Need is defined at http://www.purdue.edu/dfa/terms/definitions.php. Refer to your Financial tab in myPurdue for current cost of attendance rates. Financial need does not include AT flight fees, study abroad or child care.

Re: Purdue Promise Thank You Letters and Acknowledgment and Consent to Use Electronically-Scanned Signature

Dear Purdue Promise Student:

Thanks for your participation in the Purdue Promise program. As you know, one of the important aspects of our program is to have our students express thanks to the donors who make it possible. While your help in conveying that appreciation is vital, we also know it becomes yet another activity that gets added to your already full “to do” list.

That’s why we’ve created an automated web-based template that allows you to compose just the text of your thank you letter and to submit it to us electronically. We’ll take care of the rest by preparing and sending the letter on our end from the Student Success at Purdue office. However, in order to give each letter a personal touch, we would like to have your permission to affix your electronic signature.

To this end, we would be grateful if you would sign the consent and acknowledgement below. If you consent to allow us to use your signature for this purpose, we would keep it on a secure drive, and we would notify you when it is used to send each thank you letter that you compose.

Thanks very much for your participation and for your efforts to make our program a success.

Sincerely,

Michelle L. Ashcraft
Senior Assistant Director for Student Success at Purdue
Coordinator of Purdue Promise

Acknowledgment and Consent

I, the undersigned (indicated by checking “Agree”), hereby grant to the staff of Student Success at Purdue permission to affix an electronically-scanned version of my signature to each letter of appreciation that I write to a donor of the Purdue Promise program and that I submit to the staff via its automated web-based template. I acknowledge that I am participating in writing these thank you letters in consideration of the benefits I receive from being a participant in the Purdue Promise program. I understand that my signature will (a) be used only for the letters that I have written and submitted to the staff via its automated web-based template and (b) will be kept by the staff on a secure drive.

Note: This is a one-time use agreement. A new completed form will be required for the 2015-16 academic year and all subsequent years. This form will be signed annually as long as you are a Purdue student affiliated with Purdue Promise.
