Boiler Gold Rush Interest Sessions

11:45 am- 1:15 pm   Interest Sessions   Across Campus

**Interest sessions are offered today and tomorrow! Make sure you check the dates available as some are not offered both days!**

Animal Doctors and Nurses 101 - Thursday, August 15th, SMTH 108
An info-session about Veterinary Medicine. The session will inform you of the criteria for admission to College of Veterinary Medicine. It will also present tips on how to present a strong application for admissions consideration. Learn about volunteer and research opportunities. Find out what it really takes to become a Doctor of Veterinary Medicine and a Veterinary Technologist.

Success Starts Today: Taking a Proactive Approach to Academics - Thursday August 15th/Friday August 16th, WTHR 320
A university is different from high school. And so are the academic expectations. The Academic Success Center offers the resources you need to be successful and helps connect you with other resources across campus. Come learn more about taking a proactive approach to academics- expect information, activities, & more!

CityBus 101 - Thursday August 15th/Friday August 16th, WTHR 172
Introduction to Public Transportation or “How to get to class on CityBus!”

The Cooperative Houses - Thursday August 15th/Friday August 16th, PHYS 203
Cooperative Housing is an alternative housing option on campus at Purdue University! It is known as Purdue's best kept secret however we want to inform as many people as we can about what Cooperative Housing is and what it could do for those that get involved with it.

Thriving in First Year Engineering - Thursday August 15th/Friday August 16th, ME 2061
Thriving in First Year Engineering is a presentation from the Purdue Engineering Student Council. It covers topics that engineering students before you have put together to help make the transition to college and engineering easier. Learn about the different types of engineering Purdue has to offer and how to choose the right discipline for you. In addition, the students will give tips on how to study, take exams, get involved on campus, balance the work load while having fun, and find your first engineering job!

Entrepreneurship at Purdue: The Certificate in Entrepreneurship and Innovation Program - Thursday August 15th/Friday August 16th, EE 117
Paving your own path in the business world takes perseverance, inspiration, knowledge, effective communication, and leadership abilities. Through the Purdue
Certificate in Entrepreneurship and Innovation Program, you will develop the skills to pursue your groundbreaking ideas, whether you’re launching your own company, working in a start-up venture, or spearheading new initiatives within an existing organization. The Certificate Program is designed to complement your major. Our classes attract students from every college, school, and department at Purdue. In fact, participants view the diversity of students and talents as a key benefit of the program. Our series of five courses, similar to a minor, combine textbook theory with real-world practice. Come hear how participation in the Certificate Program could add turbo to your Purdue degree.

**Fraternity and Sorority Life - Thursday August 15th/Friday August 16th, LILY 1105**
Fraternity and sorority life is one of many great ways to get involved at Purdue. Since 1875, fraternities and sororities have provided Purdue students with opportunities for lifelong friendship, leadership development, community service, and campus involvement. Learn more about the fraternity and sorority community at this presentation and Q&A session.

**Lead For a Change! Community Service and Leadership Development Opportunities at Purdue - Thursday August 15th/Friday August 16th, BRWN 1154**
Learn about the leadership development and community engagement programs available at Purdue. From leadership conferences and classes to community action service days and individual volunteer referrals, Student Activities & Organizations-Civic Engagement & Leadership Development works hard to provide YOU meaningful opportunities to explore who you are and how you fit into the world around you. This presentation will highlight how leadership development opportunities and community service initiatives can assist EVERY student’s growing leadership abilities and capacities as you seek positive social change in local and global communities. Meet the SAO- Civic Engagement & Leadership Development staff and student leaders and start your journey here at Purdue to be a leader for a change!

**Recreational Sports at Purdue University - Thursday August 15th/Friday August 16th, CL50 224**
What is the one place on campus where you can play sports, get a massage, take a cooking class, enjoy a group workout, and climb a 55 ft. climbing wall? The CoRec! Open to all Purdue students, the Rec Sports facilities have something for everyone, whether you're a three-sport athlete or an aspiring gourmet chef. Our brand new recreation center, aquatic center, and indoor turf field are waiting for you! Spend some time with us this year and get your mind and body working together. Move more, achieve more!

**Latino Connection Interest Session - Thursday August 15th/Friday August 16th, Latino Cultural Center (LCC)**
Making connections on such a large campus can be difficult. The Latino Connection sessions intend to provide information on how you can join Latino based clubs and organizations, as well as connect to services and resources that are available
through the Latino Cultural Center. Student leaders will discuss the benefits of being involved with student organizations and will answer questions about student life at Purdue.

Lesbian Gay Bisexual Transgender Queer/Questioning (LGBTQ) and Allied Interest Session! - Thursday August 15th/Friday August 16th, GRIS 280
Make friends, find support, and connect with the local Lesbian, Gay, Bisexual, Transgender Queer/Questioning (LGBTQ) and Allied community! Purdue offers many ways for you to get involved through exciting programming, multiple student organizations, becoming a member of our Safe Zone community, and much much more! At this interest session you'll meet friends, get introduced to student’s leaders, and get to know staff members from the LGBTQ community at Purdue. You'll also find out about our new academic minor in LGBTQ studies, upcoming events you can attend, and learn what goes on in our amazing LGBTQ Center in the Division of Diversity and Inclusion!

Stethoscopes and White Coats: Preparing for Health Careers - Thursday August 15th/Friday August 16th, ME 1052
Considering a career in medicine, dentistry, physical therapy, optometry, podiatry, public health, occupational therapy, genetic counseling or any of the other human health careers? This session introduces you to what you need to do as an undergraduate to prepare for a professional school program. You can enter these fields from any major and students from all majors are encouraged to come to this session if they have any interest in health careers. We will discuss academic credentials, volunteering, health care experience, and developing professionalism. You will also learn about services offered here at Purdue to help you through your pre-professional years.

Pre-Law Forum - Thursday August 15th/Friday August 16th, ME 1051
Preparing for a career in law is rewarding and challenging. This session provides you the information you need to develop the critical thinking, research, communication, and professionalism skills required of you to apply for and succeed in law school. Students from all majors pursue legal studies and all students with an interest in attending law school are encouraged to come to this session. Legal studies can prepare you for careers in a number of fields such as litigation, lobbying, politics, health care, management, environment, intellectual property, and criminal law.

Come On Down!...to Study Abroad - Thursday August 15th/Friday August 16th, WTHR 200
By mixing elements of The Price Is Right, Let's Make a Deal and other popular TV game shows we'll show you how to best include a study abroad experience into your time at Purdue. Join our audience to become a contestant and the chance to compete for fabulous (and some not so fabulous) prizes. Where will Purdue take you?
Keeping Your Faith Going During College - Thursday, August 15th, BRNG 2280

You don't have to put your spiritual life on pause for the next four years. On Purdue’s campus there is a large number of ministries and student organizations that provide places of worship, community, service, social justice, counseling, good times, and a context for deepening one's faith. At this session you will hear from a cross-section of the various faith communities on Purdue's campus and have the opportunity to explore which group might be a good fit for you.

Purdue University Dance Marathon - Thursday August 15th/Friday August 16th, WTHR 160

Do YOU want to make a difference? Have you heard about Purdue’s largest student-run philanthropic organization? Are you looking for an awesome way to get involved, and make a ton of great friends in the process? PUDM raises money for Riley Hospital for Children year-round and culminates in an 18-hour celebration of our efforts and the Riley families. This year, we’re dreaming bigger than ever; our sights are set on a ONE MILLION DOLLAR fundraising goal! Come find out more about how YOU can join our Army of Hope... For The Kids!

Spending Your Time, Sharing Your Talents and Gathering Treasures at the Black Cultural Center - Friday August 16th, Black Cultural Center (BCC)

This session will include a tour of the facility and also introduce students to a variety of opportunities for their participation in Black Cultural Center programming and events.

2:00 pm- 4:00 pm          Hot Spot Train Stop (Dauch Alumni Center)
                            o Fun activity with PASE and Reamers. Free food, free ice cream, free train rides. Music, games, learn more about PASE and Reamers.

2:30 pm- 4:00 pm          Food Allergy Awareness Fair (Wiley Dining Court)
                            o Come and meet the dining managers in each hall that are designated to help you manage your food allergies while living in the residence halls. You will have the opportunity to ask questions, sample some allergen free foods and learn how to make dining a stress free experience!

6:00 pm- 9:00 pm          Boiler Bridge Bash (WL/Lafayette Walking Bridge (Reihle Plaza & John T. Myers Pedestrian Bridge)
                            o Check out the facebook page- www.facebook.com/BoilerBridgeBash for specific details! This event will be a great time to see what’s on the other side of the bridge! Grab your new friends and join us for a night of fun activities such as trike races and networking with businesses in the community! Take the
trolley from campus (front of Union or Earhart Hall) or ride your bike from Memorial Mall with Bicycle Lafayette (meet at 5:45 pm).

8:00 pm - 11:00 pm  Residence Hall Association Movie (Loeb Playhouse)
  o Join the Residence Hall Association (RHA) and watch the movie, “Now You See Me.”

Friday, August 16, 2013

9:00 am  Boiler Up! Hammer Down Hunger! Kroger Community Action Day
  o Check-in will be at The Chapel of the Good Shepard (across from the stadium) at 610 Meridian St. West Lafayette, IN 47906. Create connections through community service! Explore the issues of food insecurity and hunger by serving at local partner agencies working to address the issue of food insecurity. Hop on the bus to Hammer Down Hunger and discover ways to engage in the local community through service throughout the year! Register online [http://www.purdue.edu/odos/bvn/](http://www.purdue.edu/odos/bvn/) (click SIGN UP) to reserve your spot!

10:00 am - 1:00 pm  Student Veteran Orientation (ENAD 402)
  o Orientation for incoming student veterans. Designed to introduce them to services and facilities on campus as well as to community resources. Lunch is provided at the end of the event from 12:00-1:00 p.m.
