

PURDUE UNIVERSITY WAREHOUSE & SURPLUS STORE

**Recycling for the Future?
We have been doing it for YEARS
and just keep getting better!**

We are *Recycling for the Future* at our University Warehouse and Surplus store in Lafayette's North side in the INOK building on North 9th Street.

We are the University's secure disposer of all University e-waste such as computer hard drives, along with disposing of VCR tapes, cassette tapes, thumb drives, etc., with our new shredder!

We can even arrange for pick up of materials for secure environmentally friendly disposal of bulk materials if needed.

Call 742-4414 to find out more.

Check out our website at www.purdue.edu/surplus for more information on "*Recycling for the Future*"!
