Boilermakers,

Season’s greetings! It has been a very busy semester but we have had some great successes. Make sure to check out the tournament recaps to read about career high performances from your Boilermakers. On another note, it was nice to see many of you at our annual Alumni Day during Purdue Homecoming weekend. If you are not a current member, this is a great time to join. Just click on the JPC logo on this page and follow the quick and easy steps.

As a team we take pride in our community outreach and promoting tennis in the Greater Lafayette area. This fall we hosted over 100 participants during our free tennis clinics for kids and adults. Make sure to follow our promotion schedule during the spring season for an announcement about our next events. We will start first thing in January!
Since 2010 our team has experienced tremendous success on and off the court. The team has received 23 national academic honors as well as 23 conference academic selections. Additionally we have earned the Purdue's Provost Award for the most improved GPA as a team and the President’s Cup for the team with the highest GPA in the department. On the court we have reached our highest national ranking in program history and have a 75% home court winning ratio since the 2013 season.
