

Purdue Cancer Center
*Women of inspiration.
Women of hope.
Women of Purdue.*

Please join our scientists for lunch and hear about the latest cancer research advances at Purdue.

Friday, April 24, 2009
11:30 a.m. – 3:00 p.m.
Hansen Hall
Transportation provided

Student access and success is crucial to our society — now more than ever. Come to campus and be inspired and energized to support this vision for our future.

- Hear about one Purdue undergraduate's story of being diagnosed with breast cancer at the age of 19.
- Learn how you can make a difference during our informative endowment session.
- Be inspired by a recent graduate's story of going from an internship to the workforce.
