TAKE A WALK

DISCOVER PURDUE ON YOUR OWN

You are always welcome to visit our campus buildings, but please refrain from entering classrooms in session. If you are interested in learning more about a campus area not included on this tour, contact Purdue’s Welcome Center.

1 PURDUE MEMORIAL UNION
Purdue Memorial Union (A) houses the Purdue Welcome Center and serves as the campus hub for gathering, dining, retail and banking services.

2 STEWART CENTER
Stewart Center (B) is next, just west of PMU. Stewart includes Fowler Hall, Loeb Playhouse, Stewart Center Gallery, and Continuing Education and Conferences. Its west-end lobby features Spirit of the Land Grant College, a mural painted by Eugene Savage.

3 UNFINISHED BLOCK P SCULPTURE
The eight-foot-tall bronze Unfinished Block P sculpture (C) in Academy Park is a likeness of Purdue’s iconic Block P. The unfinished P symbolizes the importance of lifelong learning and self-improvement. Continue north through Centennial Mall, past the Purdue Bell Tower (D). Along the south border of the Purdue Engineering Mall is Purdue’s first LEED® Gold certified building in the Gatewood Addition to ME (E).

4 MSEE/ENGINEERING CAMPUS COMPLEX
MSEE (F) is in the heart of the Purdue Engineering Mall. Its open atrium is a favorite study spot for students. Then head north past Physics Building (G) and onto Northwestern Avenue. Turn left onto Stadium Avenue and continue past the Neil Armstrong Hall of Engineering (H).

5 GATEWAY TO THE FUTURE
Turn left at the end of Neil Armstrong Hall and follow the sidewalk along Stadium Mall. You’ll walk through the Gateway to the Future arch, past Student Health Center (I), Hampton Hall of Engineering (J), which hosts a green roof, and Schleman Hall of Student Services (K), which hosts Purdue’s first green roof.

6 PURDUE MALL WATER SCULPTURE
Ahead, you’ll see the Purdue Mall Water Sculpture (L), which was sculpted by Robert Youngman and completed in 1989 with money donated by the Class of 1939. It is located in front of Hovde Hall (M), which houses the Office of the President.

7 ELLIOTT HALL OF MUSIC
Turn right after Hovde Hall and walk along the south side of Elliott Hall of Music (N). This regal beauty is the home of WBAA — Indiana’s oldest radio station — plus hundreds of world-class events each year. Elliott can seat 6,005 people — five more than Radio City Music Hall’s typical capacity.

8 CLASS OF 1950 LECTURE HALL
Turn left toward the Psychological Sciences Building (O) and continue south toward the Class of 1950 Lecture Hall, one of Purdue’s largest lecture halls. Continue on, and you’ll pass Recitation Building (P) and Beering (Q), University (R), Matthews (S) and Stone (T) halls, which surround Founders Park.

9 JOHN PURDUE STATUE
A bronze statue (U) of Purdue’s benefactor and namesake sits quietly on a bench east of University Hall and south of John Purdue’s grave. Purdue requested to be buried on campus after he died. Next, cross Memorial Mall along the Hello Walk (V). Turn right and head south across State Street and onto Marsteller Street.

10 DAUCH ALUMNI CENTER
Continue south to Pao Hall (W), where sustainable landscaping bioswales are installed, and turn left, heading east to the Dauch Alumni Center (X) on your right. Dauch, which is open to the public, features memorabilia and kiosks about Purdue history in the first-floor atrium. From here, head north on Grant Street toward the Purdue Memorial Union (A) and back to the Welcome Center.
