Download Purdue's free campus tour app from the Android and iTunes stores by searching "Purdue Campus Tour." The app provides several tour routes and information about Purdue, visiting campus, and student life.

- PURDUE MEMORIAL UNION. Purdue Memorial Union (A) houses the Purdue Welcome Center and serves as the campus hub for gathering, dining, retail and banking services.
- STEWART CENTER. Stewart Center (B) is next, just west of PMU. Stewart includes Fowler Hall, Loeb Playhouse, Stewart Center Gallery, and Continuing Education and Conferences. Its west-end lobby features Spirit of the Land Grant College, a mural painted by Eugene Savage.
- UNFINISHED BLOCK PSCULPTURE. The eight-foot-tall bronze Unfinished Block P sculpture (C) in Academy Park is a likeness of Purdue's iconic Block P, but only partially finished. The unfinished P symbolizes the importance of lifelong learning and self-improvement. Continue north through Centennial Mall, past the Purdue Bell Tower (D), which tolls during the day to signal class changes.
- MSEE/ENGINEERING CAMPUS COMPLEX. MSEE (E) is in the heart of the Purdue Engineering Mall. Its large, open atrium is a favorite study spot for many students, even those who aren't studying engineering. From here, head north past Physics Building (F) and onto Northwestern Avenue. Turn left onto Stadium Avenue and continue past the Neil Armstrong Hall of Engineering.
- GATEWAY TO THE FUTURE. Turn left at the end of Neil Armstrong Hall and follow the sidewalk along Stadium Mall. You'll walk through the Gateway to the Future arch, past Student Health Center (G) and Schleman Hall of Student Services (H).
- © PURDUE MALL WATER SCULPTURE. Ahead, you'll see the Purdue Mall Water Sculpture (1), which was sculpted by Robert Youngman and completed in 1989 with money donated by the Class of 1939. It is located in front of Hovde Hall (J), which houses the Office of the President.
- ELLIOTT HALL OF MUSIC. Turn right after Hovde Hall and walk along the south side of Elliott Hall of Music (K). This regal beauty is the home of WBAA Indiana's oldest radio station plus hundreds of world-class events each year. Elliott can seat 6,005 people five more than Radio City Music Hall's typical capacity.
- CLASS OF 1950 LECTURE HALL. Turn left toward the Psychological Sciences Building (L) and continue south toward the Class of 1950 Lecture Hall, one of Purdue's largest lecture halls. Continue on, and you'll pass Recitation Building (M) and Beering (N), University (O), Matthews (P) and Stone (Q) halls, which surround Founders Park.
- JOHN PURDUE'S GRAVE. Here lies John Purdue (R). The man who gave money, land and his name to Purdue requested to be buried on campus after he died. His grave is on Memorial Mall, east of University Hall, which is the oldest building on campus. Next, cross Memorial Mall along the Hello Walk (S). Turn right and head south across State Street and onto Marsteller Street.
- DAUCH ALUMNI CENTER. Continue south to Pao Hall (T) and turn left, heading east to the Dauch Alumni Center (U) on your right. Dauch, which is open to the public, features memorabilia and kiosks about Purdue history in the first-floor atrium. From here, head north on Grant Street toward the Purdue Memorial Union (A) and back to the Welcome Center.
