You need to provide the information requested before we can continue processing your application for financial assistance. Failure to respond promptly may limit the types of assistance you are eligible to receive.

The Selective Service Administration (SSA) did not confirm your registration or exempt status.

If you are temporarily exempt from selective service registration because you are not yet 18 years old, no action is required. Please allow two weeks for this requirement to be waived.

You can confirm your registration status online at https://www.sss.gov/.

ATTACH TO THIS FORM: A copy of your registration confirmation.

If you have recently registered with the Selective Service or register after receiving this message, you must attach a copy of your registration confirmation in order to complete this verification requirement.

If you are age 26 or older and did not register with the SSA:
1. You must obtain a status information letter from the SSA and submit it to our office along with signed documentation explaining your failure to register with the SSA.

   A status information letter is not required if:
   a. You are currently in the U.S. Armed Forces and on active duty (this does not apply to members of the Reserve and National Guard who are not on active duty).
      If you meet this criteria, submit documentation of your active duty status.

   b. You are a citizen of the Republic of Palau, the Republic of the Marshall Islands or the Federated States of Micronesia and have lived in the United States for less than one year.
      If you meet this criteria, contact our office at facontact@purdue.edu.

   c. You are a non-citizen who entered the U.S. after turning age 26.
      If you meet this criteria, submit documentation that verifies when you entered the U.S.

Please put your name and Purdue ID number on every page of documentation being submitted.
