FREE. FUN. HANDS-ON ENGINEERING EVENT FOR MOTHERS DAUGHTERS GRADES 4th-6th

TO REGISTER (765)742-0075 CALL THE YWCA

SATURDAY AUGUST 6, 2016
9:00AM - 12:30PM
YWCA GREATER LAFAYETTE
605 N. 6TH STREET

*Free reception with dads and siblings at noon, light refreshments will be provided.

BRINGING MOTHERS AND DAUGHTERS TOGETHER TO:

— Let your imagination and creativity shine during fun, hands-on engineering/science projects

— Discover and explore some unique talents and interest you may have

— Learn leadership and academic skills to launch you into the coming school year and prepare you for middle school, high school, and beyond

— Experience how engineers make a difference and how you can make a difference

— Enjoy the guidance of Purdue female engineering student role models

Sponsored by the Purdue Women in Engineering Program in collaboration with the YWCA Greater Lafayette. Visit www.purdue.edu/wiep and www.ywcalafayette.org for more information.
