

## INSTRUCTION GUIDE

# EARLY DEPARTURE AND REENTRY

## Important Steps for International Students

### Early Departure Procedures

If you will leave your academic program prior to completion, you will need to do the following:

**STEP 1: Go to the myISS portal**

**STEP 2: Login with your BoilerKey**

**STEP 3: Complete "Intent to End F-1/J-1 Program" eform under the F-1 and J-1 Student Services section.**

**STEP 4: Depart the U.S. within 15 days of submitting the eform. Since you did not complete your academic program, you no longer have a 60-day grace period.**

**\*Please note that your F-1 status will end. You will not be able to reenter the U.S. on your current I-20 from Purdue**

### Reentry Procedures

If you decide to return to Purdue at a later point in time, you will need to do the following:

**STEP 1: Email [ISS@purdue.edu](mailto:ISS@purdue.edu) four to five months before you plan to return to Purdue**

**STEP 2: Complete Notice of Intent (NOI) on the myISS portal**

**STEP 3: Create shipping label**

**STEP 4: Pay SEVIS fee**

**STEP 5: Apply for visa**

### IMPORTANT REMINDER

The ISS office does not know that you plan on returning to Purdue until you contact us. It is your responsibility to notify the ISS office of your intentions, as well as to follow through on all required paperwork.
