Penny Peng, Ph.D., LMFT

Hello! I am a staff therapist at Purdue. My background is a licensed marriage and family therapist. Before coming here, I worked at another university. My passion is working with minority students and engaging in conversations related to cultural diversity. I am an activist for social justice. My ethnic background is Chinese. I moved here last September and love working here.

Casiana Warfield, MS

Hello all! I am looking forward to supporting you and being a part of your community this semester! I am currently a predoctoral psychology intern at Counseling and Psychological Services as I finish my doctorate in Clinical Psychology from Eastern Michigan University. I have been working in college mental health for the last three [years] focusing on multiculturalism and acceptance coping, and love the academic environment. I am biracial, Asian and White, and grew up in Indianapolis cherishing my Filipino heritage and negotiating my multiracial identity within many primarily Euro-American institutions. My goals for this semester are to learn more about your needs and identify how CAPS can support you as students and people.
