Research Registration Information				
<u>Add/Drop/Modify</u>	CRN	Subject	Course # PhD 69900	Credit Hours

Research Expectations	
Enrollment in research credits entails an expectation of reasonable progress in scholarly research. Advisors must fully discuss these specific expectations with the student at the time of registration. Please provide a description of those expectations below.	
<b>Research expectations include:</b>	<input checked="" type="checkbox"/> <b>all that apply</b>
Conduct research on prior work related to the primary subject of the research project	<input type="checkbox"/>
Conduct field, laboratory or theoretical research at a level consistent with a professional research position, in an ethical manner	<input type="checkbox"/>
Contribute to the written and oral dissemination of research findings	<input type="checkbox"/>
Maintain detailed, accurate, legible notes in a timely fashion	<input type="checkbox"/>
Additional specific expectations described below:	<input type="checkbox"/>

By signing below to register for research credits, the student acknowledges agreement with the expectations set and noted above by the faculty member.

If the student's progress is acceptable based on the expectations noted above for the semester, the student will receive a satisfactory grade for this term's research.

If the student's progress is unacceptable based on the expectations noted above, the student will receive an unsatisfactory grade for this term's research.
