**IMPORTANT GAME NOTES**

- REVIEW ALL GAME DAY PROCEDURES FRIDAY EVENING AND SET EVERYTHING YOU WILL NEED OUT WHERE YOU CAN FIND IT SATURDAY MORNING.

- CONSUME A LOT OF FLUIDS BEFORE REPORTING TO FIELD. ALLOW PLENTY OF TIME TO GET TO THE FIELD BY THE SCHEDULED REPORTING TIME!!

- Section leaders - review game day procedures thoroughly with your sections so everyone gets the routine correct! Also, have a roving pep band ready to go in the second half of the game – one person on a part.

- Your Game Day Uniform is the WINTER DRESS UNIFORM. Your game day uniform includes the Dry-fit t-shirt and appropriate suspenders. If the weather makes it necessary to remove the uniform jackets, we will still have a uniform appearance! Also, remember that anywhere in public, you must be in FULL uniform or not in uniform at all. We never wear part of the uniform in public other than for medical reasons in the stadium, and we never wear hats in the building!

- At the completion of pregame, you will receive bottled water. After halftime, you will receive bottled water and a hot dog. Additional water is available from the water jugs spaced throughout the band. Avoid the urge to skip breakfast or lunch!

- Remember that our job during the game is to create a winning atmosphere in the stadium - this means a MAXIMUM EFFORT on cheering and playing in the stands FROM EVERY SINGLE PERSON. When the drum majors call a tune, EVERYONE needs to be up and playing!

- A text will go out over the weekend announcing the day for dry cleaning drop-off this week (if necessary).
