Dear Director,

Purdue University’s Department of Bands & Orchestras welcomes you to the 27th Purdue Jazz Festival. This on-line packet should include all of the information that you will need to make your visit to Purdue University both educational and enjoyable. You will find attached to this email:

- A schedule of band and combo performances and clinics in our eight performance/clinic sites: the Purdue Memorial Union’s North Ballroom, Room 240 (Faculty Lounge West), the South Tower and the Anniversary Drawing Room; Stewart Center’s Loeb Playhouse, Fowler Hall and Room 302; and the Mallett Theatre in Pao Hall.
- A general information sheet with pertinent details regarding the festival
- Information regarding the clinics, concerts and events that will be taking place from Thursday January 19 through Saturday January 21.
- A **Repertoire and Soloists sheet** for you to make 4 copies and fill out for each of your performing groups (these 4 sheets along with scores will be turned in when you arrive at Purdue Jazz Festival registration)
- Bus unloading and Parking information
- A quick room guide
- A sample adjudication sheet for big bands and combos
- A floor plan of Stewart Center and the Purdue Memorial Union
- A campus map
- News release form for local newspapers
- Ticket order form for Arturo O'Farill and the Afro Latin Jazz Orchestra

Please discuss appropriate behavior with your students. NO PLAYING of instruments can take place except in warm-up and performance areas! We have outstanding judges and clinicians who are willing to share their talents and knowledge with young musicians for very little compensation. Please ask your students to be polite and attentive.

Take a few minutes to carefully look over the information provided. Unloading and parking of buses change slightly each year, so check carefully and share information with your bus drivers. With heightened security measures and shifting construction issues still in place and constantly changing parking areas, Purdue police are stricter about procedures than ever, and they do not hesitate to tow!

Feel free to contact me directly at any time with your questions or concerns. My office number is (765) 494-9110 and my email is mttrout@purdue.edu. If I am not in, my voice mail will be on and I will check it daily throughout the holidays.

I am pleased that you will be with us for the 2017 Purdue Jazz Festival, and am looking forward to seeing and hearing your group on January 21. Have a wonderful holiday season!

Sincerely,

Mo Trout

Information Summary

PLEASE READ CAREFULLY

DIRECTIONS TO THE PURDUE CAMPUS—Stewart Center
FROM INTERSTATE 65: Exit Interstate 65 at Highway 43. Follow Highway 43 into West Lafayette. Turn right onto State Street at the light (there is a McDonald’s on the corner). Up the hill, turn right at the third stoplight onto Memorial Drive. Stewart Center will be on your right.

If traveling north on US 231: You will turn right onto Highway 43 and proceed with the directions above (after turning LEFT on State Street).

DIRECTIONS TO THE PURDUE CAMPUS—Pao Hall
FROM INTERSTATE 65: Exit Interstate 65 at Highway 43. Follow Highway 43 into West Lafayette. Turn right onto State Street at the light (there is a McDonald’s on the corner). Up the hill, you will pass through two stoplights. Right passed the second light, you will follow the curve to the left and proceed in the right-hand lane. Keep going straight passed the parking garage. Passed the curve to the left, you will proceed straight and immediately turn into the parking lot on your right.

If traveling north on US 231: You will turn right onto Highway 43 and proceed with the directions above.

UNLOADING AND PARKING
NEW! See attached and please make sure your bus driver has this information! Also, please note that we do not furnish a bus driver’s lounge, but there is plenty of lounge space in the basement of the Purdue Memorial Union with a Starbuck’s and other restaurants. FYI the parking garage behind Pao Hall between Marsteller and Sheetz has been demolished and that area is under construction. The most convenient parking garage is now the Grant Street garage (PGG) just across from the Union, be aware that it is a paid lot. Other Saturday only free parking lots close to PMU and Stewart Center include the Grant and Wood streets (PGGW) garage (south of State Street on Grant) and the Northwestern Street (PGNW) garage, which contains the Visitor Information Center.

CHECK-IN
Directors must check in at the tables located in the lobby of Stewart Center upon arrival and turn in three copies of scores (scores are not required for non-competitive groups or combos) and four copies of the “Repertoire and Soloists” sheet. From registration, a Purdue student will escort you to your homeroom/storage area. A host will be assigned to guide you through your warm-up and performance. Your host will meet you in your homeroom area 30 minutes prior to your warm-up time. Pao Hall performers please refer to Pao Hall information concerning their check-in and bus parking.

CONTEST HEADQUARTERS
The contest headquarters will be located in Stewart Center Room 107. This area will be off-limits except to band directors and contest officials. Questions or problems that cannot be resolved at check-in will be handled here.

MUSIC SCORES and REPERTOIRE & SOLOISTS SHEETS
If your band is competing for Honor Band status, you must provide three copies of your musical scores for the judges’ reference. Copies are acceptable and measures must be numbered. Scores will be collected at the check-in point. Scores are optional for combos and non-competitive bands. Each performing group must have four copies of the REPERTOIRE & SOLOISTS sheet turned in at the registration table in order for students to be considered for any individual awards. Please make every effort to fill out these forms in a clear and legible manner as these will be used by our awards staff to get your awards to you in a timely fashion.
EQUIPMENT & STORAGE

Because of limited storage space, and to ensure that the festival runs efficiently, we are furnishing the following. (You are welcome to provide your own equipment instead, but the **30 minute total performance time including setup and tear-down will be strictly enforced.**)

**DRUM SETS:** Fully equipped *Pearl* 5-piece drum sets and *Zildjian* cymbals at each **performance location and warm-up site.**

**VIBES AND PIANO:** Performance rooms will also be equipped with a set of vibes and a piano (in some cases an electronic keyboard instead of acoustic piano). Warm-up rooms will be equipped with a piano or keyboard w/amp and a bass amp.

**MUSIC STANDS:** All Big Band performance rooms will be provided with **25 music stands for your use,** the **combo room will have 9. Warmup rooms will be provided with 20 music stands.** We will provide chairs as needed, but **if you need more music stands for your group than the numbers provided, you will be expected to bring those with you.**

**Not Provided:** Each Band will need to bring its own performance bass and guitar amps as well as cables/patch cords, and any other items not listed as “provided” above.

**Storage:** Because of the large number of bands participating and our limited ‘homeroom’ space due to some new Purdue space management issues, we encourage you to move your equipment to your buses as soon as possible after your performance(s). However, if you have a late performance time and you desire **supervised, secure** storage of equipment after your performance until after the Final Concert, all equipment must be moved to the Stewart 214 before 5:00 or as soon after your performance as possible.

All homeroom areas will be monitored by Purdue Jazz Festival workers, and your assigned area will be clearly marked. Students will not be allowed to “hang out” in the instrumental storage areas. Students are encouraged to use the coin lockers to store individual instruments. These lockers are free, however a quarter deposit is required for the key. (See Stewart and Union maps for locker locations)

**WARM-UP**

The warm-up room for each performance hall is listed on the “Quick Room Guide” and on your building map. Each band will have approximately 22 minutes of warm-up time. **A drum set and cymbals, bass amp, piano (or keyboard) will be available in each warm-up room – you must provide all ¼” patch cords.** Your band’s performance amps may be placed at the doors of the performance hall prior to reporting to the warm-up room. Your host will assist you.

**PERFORMANCE TIME**

Each band will be allowed 30 minutes total time to set up, perform, and exit the stage. To ensure that we remain on a smooth schedule throughout the day, please **bring 4 copies of the repertoire and soloist sheet to turn in at registration!** A full Pearl 5 piece drum set with Zildjian (ride, crash, hi-hat) cymbals with hardware, **and a set of VIBES** will be provided at each performance site. Stage workers will assist you in your microphone set-up. If you feel that you must use your own drum set and/or cymbals, then please realize that the 30 minute requirement for total onstage time will still apply- that will include moving the provided drum set and resetting it for the next band. Time permitting; one of the judges will conduct a short clinic on stage at the conclusion of your performance.

**CLINICS**

Clinics will be presented throughout the day by many of the outstanding jazz musicians and educators appearing at the festival. We strongly encourage you to insist that your students take advantage of the opportunities available to them by attending and participating in these clinics. For your planning purposes, a clinic schedule is enclosed, but may change. As was the case at last year’s festival, all of the clinics will take place in the East and West Faculty Lounges and Tower room on the third floor of the Purdue Memorial Union. A final clinic list will be
emailed to you the second week in January. The definitive schedule for the day will be available at the registration table and will be in your entrance packet when you check in.

**SATURDAY EVENING CONCERT**

Due to the need for so many bands to get on the road to return home as early as possible, the Final Concert will begin at 6:00 pm (or as close as possible to 6:00 pm, depending on competition finishing time) in the Loeb Playhouse. The show will feature the Purdue Jazz Band with guest artists Ingrid Jensen and David Bixler. Although the concert price is included in the entry fee, everyone must have a ticket which you should have reserved with the application. The tickets will be included in your registration packet the day of the festival. The concert will last less than one and one half hours. Equipment may be left in the designated storage area (Stewart Center 214) during the evening concert. However, you may find it more convenient to store equipment on your bus.

**TICKETS**

All events during the day Saturday are free and open to the public. The Friday evening Arturo O’Farrill and the Afro La in Jazz Orchestra concert requires a ticket purchased from Convocations (765) 496-2913 (see last page of e-packet for ticket ordering instructions). The Free Saturday Noon concert featuring the Purdue Jazz Band with Tim Coffman and appearances by Ingrid Jensen and David Bixler does not require a ticket, but the Final concert requires an entry ticket for all students, directors and adult sponsors (contact Pat Newton at Purdue University Bands 765-494-0770). These tickets were reserved on the online registration form and you should have been notified whether or not your requested tickets were available. Please see the enclosed ticket policy concerning this concert.

**AWARDS**

Trophies will be presented to the top two groups determined by total judges scoring from each performance venue, with the top group named as the Honor Band. The second highest point total will be awarded Outstanding Performance. A Judge’s Award will be awarded without regard to point totals at the discretion of each judging panel. In addition, outstanding individuals will be recognized from each site. There will be numerous awards given at the judges’ discretion for soloists, rhythms sections, trumpet sections, sax sections, etc. Awards will be in the form of certificates, jazz camp scholarships, Aebersold play-a-longs, and small trophies. All individuals in any of the participating ensembles will be eligible for these awards. All awards will be announced and presented at the conclusion of the day at the Final Concert in Loeb and emailed to all participating bands immediately following the concert.

**ADJUDICATION and RATINGS**

All bands, competitive or not, will be fully adjudicated. We encourage the judges to give both written and recorded comments, but there are always some who give more of one than the other. Also, unless you requested a “non-competitive” category, each band will be given a rating by each judge. It is our hope that this will give you a clearer idea of how your band compared to the rest of the bands during the day. Total scores of 85-100 will be scored as I, 70-84 will be II, and below 70 as III. Attached is a sample adjudication form to let you know what the judges will be listening for. Audio recordings of the judge’s comments and video recording of your performance will be included on a USB ‘flash’ drive. The adjudicators’ comment sheets will be in the exit packets. Each director will be texted when their packets are ready to be picked up from the festival headquarters.

**INSTRUMENT REPAIR**

“Brent’s Bench” of Lafayette will have a table located in the foyer at the entrance to Fowler Hall in Stewart Center for emergency instrument repair and minor emergency equipment needs.

**FOOD SERVICE**

It is a rule in the Purdue Memorial Union and Stewart Center that there is NO outside catering – if you bring in outside food, Purdue Bands will be assessed a large fine, which we will pass on to your band. Extensive food services are available on the bottom floor of the Purdue Memorial Union adjacent to Stewart Center as indicated on your building map. This area has been remodeled recently with new restaurants and facilities. There are also many other food establishments within walking distance to the performance areas.

Comments:

Judge’s signature ____________________________
Enclosed you will find a map outlining the bus parking/route for the Purdue Jazz Festival on January 21st. We are expecting approximately 70 plus buses/vans for that day. Because of construction and parking limitations we have changed the way we park buses. Please be patient with us as we make periodic changes as construction progresses in different areas.

All bus traffic need to come northbound on Marstellar Street. This includes pre and post arrival to Stewart. Please read the following carefully.

**Arriving for the show:**

Please be aware that the bike lanes west of Stewart Center are no longer available for use for vehicular traffic, parking, and/or staging. Therefore, you will be directed to unload in the bus pull-off in front of Stewart Center. Because of this change, you can now access Oval Drive from either direction on State Street or Marstellar Street as turning radius is no longer an issue. In the event that the bus lane is full, you will be staged on the yellow curbs on both sides of Marstellar Street on the south side of State Street. **Do not** block ingress/egress areas.

**Unloading:**

Unload your passengers in front of Stewart and quickly move to the designated bus parking instructed below. Please do not block the sidewalks cutting through the lane.

**Parking:**

Once you have unloaded please follow the route on the enclosed map. Follow Oval Drive around to State Street (SR26). Turn right and go WB on State Street 26. Travel approximately .3 miles and make a left turn on Martin Jischke Drive. Continue south on Martin Jischke Drive until you reach the roundabout, make the first right on Nimitz Drive. Continue on Nimitz Drive until you come to the stop sign. This is the intersection of Gates Drive. Make a left onto Gates drive and the gravel lot will be on your left. Please park in the gravel areas in the back half of the lot so as not to interfere with normal university operations that may be going on during the weekend.

**Loading:**

Prior to the show ending we will stage buses along Marsteller Street, and continue Northbound to the drop off area within the circle in front of Stewart Center. The process used to unload students will be same procedure to pick them up. Buses will be loaded in front of Stewart Center. As buses
move out, buses parked along Marstellar Street will move into their places. Our staff will be there to assist.

When coming from the gravel lot to stage for pick-up, use the following route. Leave the South Gravel Lot the same way you entered. When you exit the gravel lot, turn right onto Nimitz Drive. Continue into the roundabout and proceed to Harrison Street. Continue on Harrison, you will cross over South Russell, South University, and Hort Road. Make a left on to Marstellar Road. Continue Northeast over State Road 26 back into Memorial Drive. Please follow same guidelines previously mentioned above for picking up students.

Once again I ask you to stress to your drivers that they must be patient and follow the traffic pattern as state above. If you have any questions, please contact me at 765-494-8221.

Thank you,

Keene Red Elk
Sergeant of Training and Operations
Purdue University Police Department
Directions to Bus Parking:

1. Follow Oval Drive around to State Street.
2. Turn RIGHT onto State Street.
3. At the third traffic light, turn LEFT onto Martin Jischke Drive.
4. Proceed south to the traffic circle; turn RIGHT at first exit onto Nimitz Drive.
5. At the stop sign, turn LEFT; bus parking will be in the Discovery Park Lot to the left, and straight ahead, if necessary.

2017 Purdue Jazz Festival
Concerts, competitions, special events enliven annual event

Jazz bands from ______________________ High School in __________________ have been accepted to compete in the 27th Purdue Jazz Festival in West Lafayette, IN, on Saturday, Jan. 21, 2017.

Festival events begin Thursday, Jan. 19, when a free Community Showcase Concert at 7:30 p.m. Lafayette’s Long Center features the Purdue Jazz Band, jazz bands from Tippecanoe County and guest trombonist Tim Coffman.

Throughout the three-day festival, student musicians and the public will rub shoulders with performers of national renown. It boasts several headliner concerts plus competitions, clinics and special events.

The Grammy award winning Arturo O’Farrill and the Afro Latin Jazz Orchestra serves as the Friday night headliner concert for 8:00 p.m. Jan. 20, in Loeb Playhouse of Purdue’s Stewart Center, sponsored by Purdue Convocations.

On Saturday, instrumental jazz ensembles from four states arrive early as competition stretches throughout the day in seven locations in the Purdue Stewart Center and Purdue Memorial Union on Purdue’s campus. The music starts at 8:00 a.m. and continues through 5:30 p.m. It’s all free. All the festival guest artists will give clinics which are also free and open to the public on Saturday.

Artist-in-residence, Tim Coffman will be featured in concert with the Purdue Jazz Band set for noon Jan. 21 in Loeb Playhouse. It’s free and open to the community.

World renowned trumpeter Ingrid Jensen and alto saxophonist David Bixler, NY recording artist and the director of jazz studies at the Bowling Green University will headline Saturday’s Festival Finale concert with the Purdue Jazz Band at 6:00 p.m. Jan. 21 in Loeb Playhouse. Awards and outstanding performances and honors for the high school performances will be announced at this concert.
