There is no formal “end of camp” performance this season. Anything done at the end of camp that appears to be a performance will be live-streamed on the All-American Marching Band’s Facebook page.

Rehearsal Start and End times may be staggered to avoid large crowds moving to and from the field.

Other typical events such as “History Night,” coach/volunteer meetings, and the like will be either part of the listed rehearsal sessions or scheduled for another time outside of band camp.
