SUBJECT: Endowed Chair Nomination – Eric Munson

DATE: September 1, 2018

I am delighted to nominate **Dr. Eric J. Munson** as the Dane O. Kildsig Chair in Industrial and Physical Pharmacy. This appointment is supported unanimously by our Area Committee (6–0).

Dr. Munson recently joined the College as Head and Professor in the Department of Industrial and Physical Pharmacy. He is considered a world expert in the area of solid-state NMR in characterization of pharmaceutical formulations. He is currently a PI on two NSF grants, and is an international leader in pharmaceuticals and drug development. He serves as chair of the faculty committee for the National Institute for Pharmaceutical Technology and Education (NIPTE), of which Purdue is a charter member school, active in the leadership of the American Association of Pharmaceutical Scientists (AAPS), and serves in leadership for the United States Pharmacopeia (USP). As the attached external letters attest, his work is viewed by peers as innovative and outstanding in quality. I am delighted to add my enthusiastic endorsement to his appointment as the Dane O. Kildsig Chair in Industrial and Physical Pharmacy.
