RE: Endorsement of Conceptual Campus Master Plan

The Conceptual Campus Master Plan will be presented to the Physical Facilities Committee on October 12, 2018. The master plan is the product of numerous meetings and feedback sessions with faculty, staff, students and the community. These meetings took place over many months, and the resulting plan will provide the framework for future campus growth and development.

Attached is an extended presentation for your reference and review. I will provide some brief comments and introduce Adam Gross of Ayers Saint Gross to provide an abbreviated overview presentation of the Campus Master Plan prior to requesting the Board of Trustees to endorse the plan. Upon completion of the stated agenda, additional comments and a video will be shared at a post-meeting event held in the Purdue Memorial Union. The final documentation for the master plan will be available in the coming weeks.
