RE: Request approval to name the *Gerald and Nanette Lyles Corridor in Rawls Hall*

The attached memo, from David Hummels, details a request to officially name the *Gerald and Nanette Lyles Corridor in Rawls Hall*.

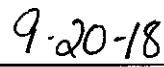

The *Gerald and Nanette Lyles Corridor in Rawls Hall* is an approximately 1,150 square foot space located on the first floor of the Jerry S. Rawls Hall that is a student seating area. This request honors the generosity of Gerald and Nanette Lyles \$4.5M gift to the Krannert School of Management to support Rising Star Professorships, Graduate Fellowships, and the renovation of the Jerry S. Rawls Hall.

As a member of the Purdue Naming Committee, I recommend we move this naming opportunity forward to the president for Board approval. I respectfully request your endorsement to name the *Gerald and Nanette Lyles Corridor in Rawls Hall*, as this naming is an appropriate recognition of Gerald and Nanette Lyles generosity and support of the Krannert School of Management.

RE: The Gerald and Nanette Lyles Corridor in Rawls Hall

Dean David Hummels respectfully requests approval to name the first floor north corridor in the Jerry S. Rawls Hall that runs parallel to State Street the ***Gerald and Nanette Lyles Corridor in Rawls Hall*** to be known informally as the ***Lyles Corridor***. This is approximately 1,150 square feet located on the first floor of Rawls Hall that is a student seating area.

This request honors the generosity of Gerald "Jerry" & Nanette Lyles, who have been long-time supporters of Purdue University, the Lyles School of Civil Engineering and the Krannert School of Management. Jerry received his bachelor's degree from Purdue in Civil Engineering in 1964 and earned a master's in industrial administration from the Krannert School of Management in 1971. The Lyles family can trace back four generations at Purdue and their generosity is evidenced across campus with the Lyles School of Civil Engineering and Lyles-Porter Hall. Jerry and Nanette recently committed \$4.5 million to the Krannert School of Management to support Rising Start Professorships, Graduate Fellowships, and the renovation of the Jerry S. Rawls Hall (see attached), which is their first major gift to the Krannert School of Management.

I believe naming the ***Gerald and Nanette Lyles Corridor in Rawls Hall*** is an appropriate recognition of Jerry and Nanette's generosity and support of the School of Management and request your approval for the naming of the ***Gerald and Nanette Lyles Corridor in Rawls Hall***.
