Subject: Posthumous Degree

On November 26, 2019, Mung Chiang, Dean, College of Engineering sent a memo requesting a posthumous Bachelor of Science in Mechanical Engineering degree from Purdue University, West Lafayette to Trever L. Col.

The policy states the awarding of a posthumous degree by Purdue University requires that the deceased student completed:

1. At least 85% of the credit hour requirements
2. Most of the requirements for the major

At the time of his death, Trever had completed 87% of his degree and would have been a candidate for May, 2020.
