From: Christine DeHahn Pass, Senior Assistant Registrar

Subject: Posthumous Degree

On January 22, 2020, Mark Lundstrom, Acting Dean, College of Engineering sent a memo requesting a posthumous Bachelor of Science in Aeronautical and Astronautical Engineering degree from Purdue University, West Lafayette to Kyle H. Runkle.

The policy states the awarding of a posthumous degree by Purdue University requires that the deceased student completed:

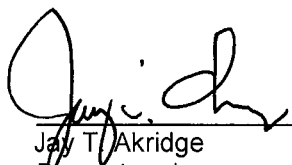

1. At least 85% of the credit hour requirements
2. Most of the requirements for the major

At the time of his death, Kyle had completed 94% of his degree and was a candidate for graduation December 2019. I have attached copies of the supporting documentation.
