To: Jay Akridge, Provost and Executive Vice President for Academic Affairs and Diversity
From: Ronald L. Elsenbaumer, Chancellor 
Re: Nomination of Dr. Zhuming Bi for the Harris Chair of Wireless Communication and Applied Research

Please find the attached nomination of Dr. Zhuming Bi for consideration as the Harris Chair of Wireless Communication and Applied Research. This recognition has been made possible by an endowment from Harris to recognize exemplary work at Purdue Fort Wayne in the area of Mechanical Engineering.

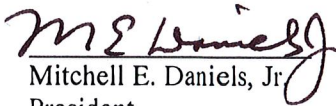

Dr. Bi's nomination was endorsed by the Harris Professorship Committee by a vote of 5-0 in favor, supported by the dean of the College of Engineering, Technology, and Computer Science and the Vice Chancellor for Academic Affairs. The nomination packet contains his complete curriculum vita, a condensed version of the vita, and five letters of support.

This nomination is forwarded with my full endorsement.
