Subj: Recommendation for Named Headship

I am pleased to recommend that Dr. Young-Jun Son be named the James J. Solberg Head of Industrial Engineering. Dr. Son's case has the full support of the Engineering Named Professorship Committee. Dr. Son's full vita, recommendation letters, and abbreviated vita are enclosed for your review.

Professor Son comes to Purdue Engineering from the University of Arizona. He began his headship June 1, 2022 in the School of Industrial Engineering. His strong service record and dedication to his field were key attributes to his appointment and we look forward to him flourishing in his new role here at Purdue.
