RE: Request approval to name the Accenture Smart Factory and Accenture Smart Manufacturing Scholarship Program

Accenture LLP has made a gift to Purdue University and your approval to name the *Accenture Smart Factory* and *Accenture Smart Manufacturing Scholars Program* located in the *Dudley-Lambertus Hall*. The Smart Factory will provide experiential project-based instructional laboratories, design studios, collaborative spaces supporting active learning, and share interdisciplinary instructional space to meet the needs of a growing Engineering and Polytechnic student population. This request honors the generosity of Accenture LLP.

I believe naming the Smart Factory is an appropriate recognition of Accenture LLP's generosity and support of the Dudley-Lambertus Facility and request your approval for the naming of *Accenture Smart Factory* and *Accenture Smart Manufacturing Scholars Program*.
