

# *Board of Trustees Meeting*

Faculty Awards

August 4, 2023

# *Faculty Awards*

## Research & Scholarship

| Name               | Professor of                                      | College                    | Award   |
|--------------------|---|----------------------------|---|
| Layi Adeola        | Animal Sciences                                   | College of Agriculture     | Fellow, American Society of Animal Science (ASAS)   |
| Arun Bhunia        | Food Science                                      | College of Agriculture     | Fellow, International Association for Food Protection   |
| Brock Harpur       | Entomology  | College of Agriculture     | New Innovator in Food & Agriculture Research Award, Foundation for Food & Agricultural Research             |
| Darrin Karcher     | Animal Sciences                                   | College of Agriculture     | 2023 Maple Leaf Farms Duck Research Award, Poultry Science Association                                      |
| Sharon Kessler     | Botany and Plant Pathology                        | College of Agriculture     | Young Investigator Program, National Science Foundation (NSF)   |
| Michael Campion    | Management  | Daniels School of Business | Distinguished Professional Contributions Award, Society for Industrial and Organizational Psychology (SIOP) |
| Barrett Caldwell   | Industrial Engineering                            | College of Engineering     | Outstanding Academic Advisor for the Great Lakes Region, Institute of Industrial and Systems Engineers      |
| Gary Cheng         | Industrial Engineering                            | College of Engineering     | Fellow, SME   |
| Robert Connor      | Civil Engineering                                 | College of Engineering     | Lifetime Achievement Award, American Institute of Steel Construction (AISC)                                 |
| Melba Crawford     | Civil Engineering                                 | College of Engineering     | Mildred Dresselhaus Medal, Institute for Electronics and Electronics Engineers (IEEE)                       |
| Daniel DeLaurentis | Aeronautics and Astronautics                      | College of Engineering     | Fellow, American Institute of Aeronautics and Astronautics (AIAA)   |
| Bradley Duerstock  | Biomedical Engineering and Industrial Engineering | College of Engineering     | Fellow, American Institute of Medical and Biological Engineering (AIMBE)                                    |

## Research & Scholarship

| Name            | Professor of                            | College                              | Award  |
|-----------------|---|--------------------------------------|--|
| James Garrison  | Aeronautics and Astronautics            | College of Engineering               | Fellow, Institute for Electronics and Electronics Engineers (IEEE)   |
| Makarand Hastak | Construction and Engineering Management | College of Engineering               | Member, National Academy of Construction   |
| David Johnson   | Industrial Engineering                  | College of Engineering               | CAREER Award - National Science Foundation (NSF)   |
| Monique McClain | Mechanical Engineering                  | College of Engineering               | Young Investigator Program, Air Force Office of Scientific Research  |
| William Oakes   | Engineering Education                   | College of Engineering               | Outstanding Experiential Education Program Award, Society for Experiential Education                                 |
| Fabio Ribeiro   | Chemical Engineering                    | College of Engineering               | Exceptional Achievements in Catalysis Award, American Chemical Society (ACS)   |
| Xiulin Ruan     | Mechanical Engineering                  | College of Engineering               | 2023 Brillouin Medal, International Phononics Society  |
| Michael Sealy   | Mechanical Engineering                  | College of Engineering               | CAREER Award, National Science Foundation (NSF)  |
| Tyler Tallman   | Aeronautics and Astronautics            | College of Engineering               | CAREER Award, National Science Foundation (NSF); Young Investigator Program, Air Force Office of Scientific Research |
| Ruth Wertz      | Engineering Education                   | College of Engineering               | CAREER Award, National Science Foundation (NSF)  |
| Brandon Kistler | Nutrition Science                       | College of Health and Human Sciences | Fellow, Academy of Nutrition and Dietetics   |
| Franki Kung     | Psychological Sciences                  | College of Health and Human Sciences | CAREER Award, National Science Foundation (NSF)  |

## Research & Scholarship

| Name                  | Professor of                        | College                              | Award  |
|-----------------------|-------------------------------------|--------------------------------------|--|
| Richard Mattes        | Nutrition Science                   | College of Health and Human Sciences | David Kritchevsky Career Achievement Award, American Society for Nutrition; Fellow, American Society for Nutrition   |
| Dennis Savaiano       | Nutrition Science                   | College of Health and Human Sciences | Fellow, American Society for Nutrition   |
| Laura Schwab Reese    | Public Health                       | College of Health and Human Sciences | NIH KO1 Career Award, Eunice Kennedy Shriver National Institute of Child Health and Human Development  |
| Jonathan Shannahan    | Health Sciences                     | College of Health and Human Sciences | 2023 Young Investigator Award, Inhalation and Respiratory Special Section, Society of Toxicology   |
| Kathryn Jones         | History                             | College of Liberal Arts              | 2023 DHST Dissertation Prize Award from the Division of History of Science and Technology of the International Union of History and Philosophy of Science and Technology |
| Linda Renzulli        | Sociology                           | College of Liberal Arts              | Elected to Sociological Research Association for excellence in research  |
| Kaylyn Jackson Schiff | Political Science                   | College of Liberal Arts              | Leonard D. White Award, American Political Science Association   |
| Tianyi Li             | Computer Information Technology     | Purdue Polytechnic Institute         | CAREER Award, National Science Foundation (NSF)  |
| Romila Pradhan        | Computer and Information Technology | Purdue Polytechnic Institute         | CAREER Award - National Science Foundation (NSF)   |
| Wenhai Sun            | Computer and Information Technology | Purdue Polytechnic Institute         | CAREER Award - National Science Foundation (NSF)   |

## Research & Scholarship

| Name                      | Professor of                               | College                        | Award   |
|---------------------------|--|--------------------------------|---|
| Jeffrey Dick              | Chemistry                                  | College of Science             | CAREER Award, National Science Foundation (NSF)   |
| Jonathan Hood             | Chemistry                                  | College of Science             | CAREER Award, National Science Foundation (NSF)   |
| Julia Laskin              | Chemistry                                  | College of Science             | Advances in Measurement Science Lectureship Award, American Chemical Society                            |
| Severin Thomas Schneebeli | Chemistry/Industrial and Physical Pharmacy | College of Science             | CAREER Award, National Science Foundation (NSF)   |
| Mike Sori                 | Earth, Atmospheric and Planetary Sciences  | College of Science             | Planetary Science Early Career Award, NASA  |
| Willie Reed               | Veterinary Medicine                        | College of Veterinary Medicine | Frederick Douglass Patterson Lifetime Achievement Award, American Veterinary Medical Association (AVMA) |

*Thank You*
