Re: Nomination of Dr. Suzanne C. Bart for Named Professor

I am putting forth the nomination of Dr. Suzanne Bart for the Edwin F. Peters, Class of 1942, Professor of Chemistry. The candidate received a unanimous vote of 23-0 from the full faculty in the Department of Chemistry.

Dr. Bart's materials were reviewed by Dr. Jianguo Mei, Chemistry Department Head, Dr. Darryl Granger, Associate Dean for Faculty Affairs and me. We are all in agreement that based on research, teaching and service accomplishments, Dr. Suzanne Bart is deserving of the Edwin F. Peters, Class of 1942, Professorship.
