Re: Nomination of Dr. Claudio Chamon, Named Professorship, Physics and Astronomy

I am putting forth the nomination of Dr. Claudio Chamon for the Julian S. Schwinger Professor of Physics and Astronomy. This department funded professorship will carry a discretionary allocation of \$20,000 per year. Dr. Chamon was hired through the Moveable Dream Hire Initiative and was recommended by the Head as part of his offer.

Dr. Chamon's materials were reviewed by Dr. Gabor Csathy, Physics and Astronomy Department Head, Dr. Darryl Granger, Associate Dean for Faculty Affairs, and me. We are all in agreement that based on his accomplishments, Dr. Claudio Chamon is deserving of the Julian S. Schwinger Professorship.
