 - This project is the ninth and final phase of the University Residences H-Hall bathroom renovations in West Lafayette.
 - This phase will complete work in Shreve Residence Hall and will reconfigure and renovate approximately 7,160 GSF of community bathrooms on the first through eighth floors of the west tower.
 - The work will replace the original, aging infrastructure and reconfigure the space to enhance ADA accessibility and provide greater privacy and an updated appearance.

- Construction start: May 2027
- Construction completion: August 2027
