RE: Recommendation for Distinguished Professorship

I am pleased to recommend that Professor Yuehwern Yih be appointed as a Distinguished Professor in the Edwardson School of Industrial Engineering. Professor Yih's case has been recommended by the Industrial Engineering Primary Committee and by the Engineering Area Promotions Committee. A special augmented panel of distinguished colleagues has also reviewed her case and recommended this action. The special panel recommendation, Professor Yih's vita, and recommendation letters are enclosed.

This memo is to request your approval, the approval of Interim President Daniels, and the Board of Trustees, for Professor Yih as the Tompkins Distinguished Professor in Industrial Engineering.
