Lily Anna Starmer

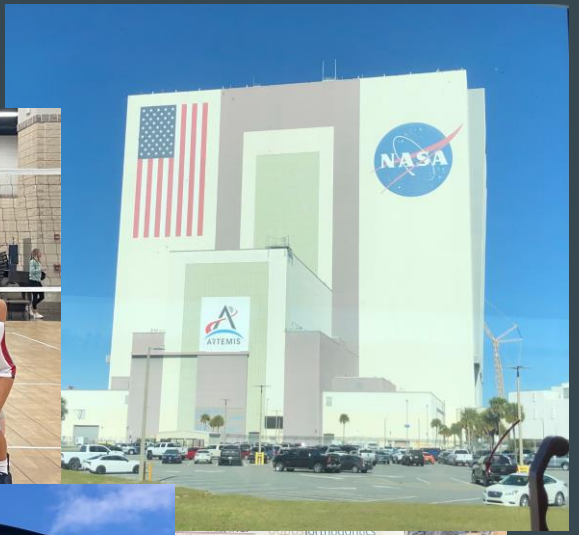

Student Body VP (Indy)

About Me

- ME Major
- Sophomore
- Hometown: Knoxville, TN

- Student Body VP from Indy
- Project Manager for PSP Indy
- Volleyball

Why ME at Purdue Indy?

- Engineering was the obvious choice
  - Robotics
  - Passion for discovery and solving problems
  - Career goals
- Purdue was top of every list
  - Reputation
  - Quality
- Indy
  - Urban environment
  - Smaller campus, same resources
  - Culture
  - Opportunity for impact and mutual growth

Highlights

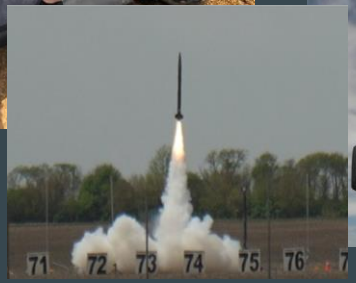

PSG VP

- In West Lafayette, Matthew has a very defined role
- Less so for me

- Figuring out the extent of my impact
- Growing PSG in Indy
- Unifying the Student Government across both locations

Future Aspirations

- PSG:
  - Make a reputable name for BOD
  - Establish routine connections with faculty
  - Determine a functional, connected, growable system to pass on
- PSP
  - Continue growing our structure to function for years
  - Successfully launch Origin at Argonia
- Personal
  - Get a job. Anywhere. Preferably SpaceX
  - Study abroad
  - Develop lasting friendships
