Coeus IACUC Administrative Process – Response to Revisions Intake

The following processes apply to every submission received by PACUC Administration. The intake process should start once the system generated “Waiting for Approval” email is received:

![Email Example]

**IACUC Protocol Module**

**Step 1: Open IACUC Protocol Submission**
1. Identify Protocol Number from Notification Email – this will be both in the email Subject line and in the body
2. Launch Coeus Premium and open the “IACUC Protocol” module by going to Maintain > IACUC Protocol – or- clicking the “IACUC Protocol” icon in the top navigation.
3. IACUC Protocol Search: The standard search window will open. Search by the Protocol number identified in the email notification and click “Find”

   **NOTE:** If the search window is accidently closed, re-open by clicking the “IACUC Protocol Search” icon in the top navigation.

   **NOTE:** Search criteria may be abbreviated by using the asterisks key (*) as a wildcard. Example: Protocol 1201000385 can be searched by *385

4. Open record in Display by double clicking the listed result or going to Edit > Display IACUC Protocol

**Step 2: Protocol Submission Type**
1. Open the Protocol Submission Details by going to Edit > View Submission Details
2. Confirm Submission Type – “PACUC Requested Revisions”
   Review Type – “Response”

   **Make corrections to Submission Type & Review Type selections, if necessary, by selecting the appropriate value from the corresponding drop-down list**

3. If the Submission Type and Review Type are not what is shown above, you can confirm if the submission is supposed to be a Response to Requested Revisions by looking at the Previous Submission Details screen
   o Locate the buttons on the left side of the Submission Details Window
   o The “Previous” button should be active
   o Select “Previous”

   o Locate “Action Details” section, at the bottom of the Submission Details window
3. If the submission truly is a Response to Requested Revisions, the top Action listed will be “Minor Revisions”

**This can also be determined by looking in the Actions tab (in the protocol record)**

4. Click “Ok” if updated, Click “Cancel” if no changes were made to the Submission Details screen.

**Step 3: Administrative Review**

Complete a review of the Submission content to ensure all required components are present and identify any incorrect information, when possible.

**Step 4: Training Qualifications**

1. Identify Procedure Personnel

   **The Procedures tab is currently not utilized by PACUC; you will need to look in the appropriate section of the PACUC Protocol Application Attachment – in Attachments tab – for procedure specific information**

2. Check Qualifications: Currently use externally maintained PACUC Training Database

3. Enter Training Comment

   a. Open Protocol Submission Details: go to Edit > View Submission Details
