NOTES

*Includes Both Certified and Classified Firms. Certified is defined as a firm certified with the State of Indiana or another certifying agency as a minority-or women-or veteran owned firm. Classified is defined as a firm that is self-certified or not certified with the State of Indiana or other certifying agency.

Overall MBE utilization from FY2016 to FY2017 increased \$25,388,166.34. The primary reason for this was successful XBE joint ventures within the construction category. Competing and winning at a GC level allowed these XBEs joint ventures to employ other XBEs as subcontractors, generating more than \$40,000,000 in tier two spend.
