Recipients are advised to continue to exchange salaries, stipends, and benefits to currently active USDA NIFA awards consistent with the recipients' policy of paying salaries under emergency and extraordinary circumstances from all funding sources, both federal and non-federal.

Recipients also have minor re-budgeting authority that would permit them to reduce any financial loss of award funds, if necessary, to cover project-related expenses incurred due to our response to specific announcements. As validated by Grants.gov by the published event.
