

Subrecipient Risk Analysis - High/Low Risk Entities

Section A: General Instructions

- Complete the risk analysis using the information provided in the proposal, the information in the Sponsor award document and the Subrecipient Audit Risk Summary (located in Perceptive Content Portal).
- Proceed to Section B & C if the Subrecipient Audit Risk Summary is in the SPS Subrecipient Monitoring Portal. Use Audit information found in SPS Subrecipient Monitoring Portal for Section B-1 & B-2.
- If there is no Subrecipient Audit Risk Summary found in the Portal for this Subrecipient email rqa@purdue.edu to have this subrecipient reviewed and updated. **Make sure to include the Subrecipient number and name in this email (you do not have to send this form).** The template email can be found here: K:_DeptAll\POSTAWARD\Subrecipients\Subrecipient Audit Risk Summary not found
 - Once RQA has uploaded the Subrecipient Audit Risk Summary, they will notify the Administrator that the Subrecipient Audit Risk Summary Form has been uploaded. You can then proceed with the Risk Analysis Section B & C.

Note: The risk analysis must be applied each time a new subaward is issued or a modification is made to an existing award. Any circumstance not covered in this version of the risk assessment can be marked in the comments section of this form.
