The Department of Justice (DOJ) has restored access to the JustGrants grants management system for Office of Community Oriented Policing Services (COPS Office), Office of Justice Programs (OJP), and Office on Violence Against Women (OVW). Applicants and grantees will be able to submit grant applications, review and accept recently awarded grants, and submit required performance and Federal Financial Reports (FFRs).

Grantees can submit requests for grant award modifications, removal of award condition withholdings, and award closeouts; however, these requests will not be approved until DOJ staff return from furlough status.

Please note: Once the government reopens, DOJ will examine reporting deadlines impacted by the closure and adjust reporting or application submission deadlines as needed.

At this time, the U.S. Department of the Treasury's Automated Standard Application for Payments (ASAP) system remains in service to accept grant drawdown requests.

For urgent JustGrants technical support, please contact JustGrants.Support@usdoj.gov or 833-872-5175, Monday through Friday from 9:00 a.m. to 5:30 p.m. ET.
