Abstracts for the fall 2019 issue of the Butler Center-ADVANCE Working Paper Series’ titled “Navigating Careers in the Academy: Gender, Race, and Class” are now being accepted. The deadline for submission of abstracts is Thursday, August 22, 2019.

Abstracts must be 150 words or less and should be emailed to advance-butler@purdue.edu. Please include the following information in your submission:

1. Title of the paper (tentative is acceptable)
2. Name of authors, rank or title, and name of department (in order of authorship)
3. Email of corresponding author

Abstracts will be reviewed by the co-editors and the editorial board. If the abstract suggests that the paper is suitable for the Working Paper Series, the author/s will be required to submit the full-length paper within about six weeks. If the author/s require additional time for submission of the full-length paper, they may request for considering their submission for the following issue (Spring 2020). The co-editors’ decision to accept and publish the paper will be made based on peer reviews.

Past issues and more information about manuscript submission is available online or by emailing advance-butler@purdue.edu.
