### Research Issues: Reproducibility and Data Management

***Dr. James Mohler***

June 10, 2021, 1:00 – 2:30 PM (EDT)

**Speaker Bio:**

James L. Mohler is professor of Computer Graphics Technology (CGT). He is currently serving as Associate Dean of the Graduate School and Research Integrity Officer. Dr. Mohler is a Faculty Scholar, a member of the Purdue University Teaching Academy and a past faculty fellow for the Discovery Learning Center. Dr. Mohler is a member of Purdue's ADVANCE team and has served as a Diversity Catalyst. Dr. Mohler has authored, co-authored, or contributed to over 21 texts related to computer graphics and media development and over 71 articles for refereed, reviewed, or trade publications. He has been the recipient of 1.5 million dollars in grants.

**Abstract:**

This talk will focus on two prevalent challenges for scientists: reproducibility of their work as well as data management tactics and requirements.
