Date of admission:

Current advisor(s):

Please list any fellowship or assistantship that you already have:

Brief summary of your research interest:

Advisor information (I):

Full name:

Purdue affiliation:

Advisor information (II)*:

Full name:

Purdue affiliation:

Please attached the required documents to this form and send as a pdf file to afra@purdue.edu by April 23:

- A research project summary of no more than two pages describing the nature of the student's research topic, highlighting its "systems perspective"
- A short "management plan" outlining the role of each advisor, how the background and expertise of each advisor support the research topic, and a proposed schedule for interaction of the team (one page altogether)
- Short NSF-style CVs of the two faculty members, CV and academic transcript of the nominated student

* If you need assistance identifying your second advisor, please contact Boshra Afra (afra@purdue.edu).
