

SPRING 2024

THE TWO HUNDRED FIFTY SECOND

COMMENCEMENT OF

PURDUE UNIVERSITY

Edward C. Elliott Hall of Music | West Lafayette, Indiana

THE PURDUE HYMN

Close by the Wabash, in famed Hoosier land,
Stands old Purdue serene and grand;
Cherished in memory, by all her sons and daughters true;
Fair Alma Mater, All Hail, Purdue,
Fairest in all the land, our own Purdue.
Fairest in all the land, our own Purdue.

HAIL PURDUE

To your call once more we rally,
Alma Mater, hear our praise;
Where the Wabash spreads its valley,
Filled with joy our voices raise.
From the skies in swelling echoes,
Come the cheers that tell the tale,
Of your vict'ries and your heroes,
Hail Purdue! We sing All Hail!

CHORUS

Hail, Hail to old Purdue!
All Hail to our old gold and black!
Hail, Hail to old Purdue!
Our friendship may she never lack.
Ever grateful, ever true,
Thus we raise our song anew,
Of the days we've spent with you,
All Hail our own Purdue.

THE SPRING 2024 COMMENCEMENT:

PURDUE'S 252ND COMMENCEMENT

A PERSPECTIVE

The academic heritage that evolved during the Middle Ages provided us with a teaching institution, the university; a method of measuring academic progress, degrees; and a structure for an appropriate ceremony recognizing the student's achievement, commencement. In June 1875, Purdue University held its first commencement outdoors on the Oval, awarding the Bachelor of Science degree to a class of one. In 1903, commencement was moved indoors to the newly-completed Eliza Fowler Hall. The steady growth of the size of the graduating class necessitated moving the exercises to larger and larger facilities: the Memorial Gymnasium, the Armory, the Field House, and in 1940, to the Edward C. Elliott Hall of Music. In December of 1942, the first winter commencement was added with the first summer commencement added in August 1943. The commencement at the West Lafayette campus is being held today for graduates who qualified for their degrees at the end of the current semester. The colorful ceremony, enacted each year on campuses throughout the world, is the formal climax and recognition of the graduates' years of study and preparation. In 2024, across Spring, Summer and Winter Commencements, about 13,000 will graduate with their undergraduate, graduate or professional degrees from West Lafayette.

COMMISSIONS IN THE ARMED FORCES

The President of the United States has commissioned the following graduates as Second Lieutenants.

UNITED STATES AIR FORCE

William C Albright	Anastasia M. Graham	Sean D. McSweeney	Aidan J. Spencer
Grace A. Armbruster	Connor T. Hennessy	Harrison A. Moore	Mitchell D. Vannoy
Zane G. Balleydier	Brayden L. Johnson	Braley A. Mullarkey	Magdalena N. Vonic
Margaret G. Bartles	Lukas D. Johnson	Karl N. Oversteyns	Alexander T. Weber
Claudia G. L. Buddenbaum	Stefan N. Kidd	Jose A. Ramirez	Andrew J. Wilmot
Nathaniel R. Ganti	Vada J. Kirsch	James D. Rineheimer	

UNITED STATES ARMY

Emma Genter	Franlin Montero	Samuel Czwartacki	Stefani Nemet
Michael Leah	Logan Notaro	James Forbis	
Kiera Mann	Dominic Panaro	Zachary Hillers	
Michaelina Marino	Luis Salazar	Dohyun Kim	

UNITED STATES NAVY

The President of the United States has commissioned the following graduates as Ensigns.

Chance R. Arboneaux	Michael F. Brown	Alexander N. Elliott	Connor D. O'Neill	Quinn C. Trout
Sean J. Bahamonde	Caitlin E. Clark	Ryan J. Getler	Zachary T. Raucci	Kainoa C. Wisler
Ty H. Baker	Bethany L. Costello	Connor Jenig	Alexa J. Rekeweg	Sean B. Woerner
Chad A. Barrett	Alyssa J. Devincenzi	Hannah K. Morehead	Carter R. Roach	

*Designated as a Distinguished Military Graduate

The designation of "Distinguished Military Graduate" indicates selected individuals who have demonstrated a particularly high level of achievement while earning both an academic degree and a commission in the Armed Forces of the United States. Criteria used in making the selection include demonstrated performance and leadership in course work as well as in athletics and extracurricular functions. The candidate must also maintain at least a "B" average in all course work while ranking in the upper third of his or her contemporaries for the Army or Navy, or the upper tenth for the Air Force. Commissionees so designated receive an appropriately inscribed certificate from their respective service.

PURDUE STUDENT ATHLETES

Graduates wearing the student athlete medallion are recognized for their hard work and dedication in balancing their academic and athletic commitments.

The following students, in addition to being candidates for a degree, are also candidates for special recognition.

Kyle Adams
Charles Backer
Carson Barrett
Kate Beavon
Meredith Berglund
Drew Biber
Jonathan Blackwell
Michael Bolton
Delaney Bowen
Kendra Bowen
Jocelyn Bruch
Jared Bycznski

This program is not an official graduation list

While every effort is made to ensure accuracy in this commencement program, printing deadlines sometimes prevent inclusions of graduates' names, or may result in the use of names of persons not completing graduation requirements. This printed program, therefore, should not be used to determine a student's academic or degree status. The University's official registry for conferral of degrees is the student's permanent academic record, kept by the Office of the Registrar, Stewart Center Room 176, West Lafayette, IN 47907.

FIRST DIVISION

STUDENT RESPONDER

Megan Walawender

College of Health & Human Sciences

Megan Walawender of Carmel, Indiana, is receiving a Bachelor of Science in health and kinesiology with a concentration in clinical exercise physiology and a minor in human development and family studies.

Megan has served as PETE's PALs president and a Boiler Gold Rush team supervisor and leader. In addition, she was the health and well-being coordinator for Alpha Omicron Pi fraternity.

Megan has worked as an intern at both Miracles Fitness in West Lafayette, Indiana, and NeuroHope in Indianapolis. She was a patient care assistant at PediPlay in Indianapolis, and a dance director for the Center for Performing Arts in Carmel, Indiana. Megan served as a student representative on the advisory board for Purdue's Recreation and Wellness Center, where she also worked as a personal trainer and Functional F45 coach.

After graduation, Megan plans to attend Duke University to earn a doctorate in physical therapy.

SECOND DIVISION

STUDENT RESPONDER

Paige Fulkerson

College of Education

Paige Fulkerson of Carmel, Indiana, is receiving a Bachelor of Arts in elementary education with a concentration in reading and a minor in global studies.

Paige has served as a College of Education ambassador, college mentor for kids and Boiler Gold Rush team leader. She was philanthropy chairwoman for Phi Mu Epsilon and was awarded Philanthropist of the Year by the Purdue Panhellenic Association. Paige received the Stamps Scholarship and was a member of the John Martinson Honors College learning community. She completed the Youth in Development in Morocco study abroad and spent a semester abroad at Leiden University in the Netherlands.

Paige has worked as a student research assistant in Purdue's Center for Intercultural Learning, Mentorship, Assessment and Research and was an admissions ambassador for the Office of Admissions. She has engaged in preservice teaching at eight elementary and middle schools in the Lafayette, West Lafayette, and Frankfort, Indiana, areas.

After graduation, Paige plans to join the Peace Corps as a volunteer in Cambodia.

THIRD DIVISION

STUDENT RESPONDER

Mridhula Srinivasan
College of Science

Mridhula Srinivasan of Dallas, Texas, is receiving a dual Bachelor of Science in data science and applied statistics with minors in computer science, math and management.

Mridhula has served as vice president of alumni relations for Alpha Kappa Psi - Pi Omega, data science ambassador for the College of Science and team leader for Boiler Gold Rush. She has been involved in the Computer Science Women's Network, PurdueTHINK consulting, Women in Technology, Women in Business, Purdue Aharya Indian Classical Fusion Dance Team, Phi Sigma Rho and Purdue Student Government.

Mridhula has worked as a business technology analyst intern for Deloitte in San Jose, California; a researcher for the University Nanosatellite Program FLAC-SAT Analysis/Testing Team in West Lafayette, Indiana; a Data Mine researcher for Sandia National Laboratories in West Lafayette, Indiana; a product developer for Augmentus Solutions Limited in Chennai, India; a researcher for SheNeeds in Chennai, India; and a product developer for Kalamandir, a private music school in Chennai, India. At Purdue, she was a teaching assistant for the Dean's Leadership Forum, Data Mine and the Computer Science Department's Object-Oriented Consulting programming course.

After graduation, Mridhula plans to serve as an AI and data engineering consultant with Deloitte.

FOURTH DIVISION

STUDENT RESPONDER

Justice Rowe
*College of Engineering, Elmore Family School of
Electrical & Computer Engineering*

Justice Rowe of Milo, Iowa, is receiving a Bachelor of Science in computer engineering.

Justice has served as an electrical and computer engineering mentor and treasurer of the Purdue Brazilian Jiu Jitsu club. He was also a youth wrestling and football coach and referee in his home community.

Justice has worked as a product engineering intern at John Deere in Silvis, Illinois, and a power generation intern at NextEra Energy Inc. in Juno Beach, Florida. At Purdue, he was a teaching assistant for the Elmore Family School of Electrical and Computer Engineering's advanced C programming course.

After graduation, Justice plans to enter the Engineering Development Program at John Deere.

FIFTH DIVISION

STUDENT RESPONDER

Kayla Zalesny
College of Agriculture

Kayla Zalesny of Nipomo, California, is receiving a Bachelor of Science in agriculture business marketing with minors in crop science, organizational leadership and industrial sales.

Kayla was a recipient of the Purdue Presidential Scholarship and served as president of Purdue's National Agriculture Marketing Association, vice president of Purdue Phi Mu sorority and was an ambassador for the College of Agriculture.

Kayla worked as a crop protection commercial sales intern for Corteva Agriscience in Vincennes, Indiana; a supply chain and new product development intern for Duncan Family Farms in Goodyear, Arizona; and a media specialist and content creator for the California Department of Education in Sacramento, California.

After graduation, Kayla will join Corteva Agriscience as an associate territory manager.

SIXTH DIVISION

STUDENT RESPONDER

Sydney Hummel
*College of Engineering, Davidson School of
Chemical Engineering*

Sydney Hummel of Nolensville, Tennessee, is receiving a Bachelor of Science in chemical engineering with a concentration in biological engineering.

Sydney is one of 68 students nationally recognized as an Astronaut Scholar and was a Davidson School of Chemical Engineering Centennial Scholar, Alpha Chi Chapter Educational Foundation Scholar, U.S. Presidential Scholar and National Merit Scholar. In addition, she was a member of Kappa Alpha Theta and served as the director of academic development.

Sydney has worked as a product engineering intern at Cook Biotech and a research technical intern at Amplified Sciences. At Purdue, Sydney worked as an undergraduate researcher in the Davidson School of Chemical Engineering and Chemistry Department. She also worked in the University of Colorado Boulder's Chemical and Biological Engineering Department as an undergraduate researcher. She founded an ACT preparation tutoring business offering original curriculum and individualized study plans.

Sydney was recently awarded the Churchill Scholarship. After graduation, she plans to attend the University of Cambridge to pursue a Master of Philosophy in medical science.

SEVENTH DIVISION

STUDENT RESPONDER

Amanda Hubert

Mitchell E. Daniels, Jr. School of Business

Amanda Hubert of Dexter, Michigan, is receiving a Bachelor of Science in industrial management with a concentration in data analytics.

Amanda has served as president of Purdue's Women in Business club and director of member development for the Mitchell E. Daniels, Jr. School of Business Management Ambassadors. She was on the winning team at the McCombs National Women's Case Competition, placing first out of 18 competing teams from across the nation.

Amanda has worked as a supply chain intern at both PepsiCo in Albany, New York, and at Avery Dennison in Mentor, Ohio.

After graduation, Amanda plans to join Crowe LLP in Chicago as a staff consultant.

EIGHTH DIVISION

STUDENT RESPONDER

Ian Chen

College of Pharmacy

Ian Chen a dual citizen of Taiwan and Canada, is receiving a Bachelor of Science in pharmaceutical science with minors in biological science and biochemistry.

Ian has served as director of diversity and inclusion for the Purdue Student Government, student council representative for the Phi Delta Chi professional pharmacy fraternity and event social officer for the Purdue Taiwanese Student Association.

Ian has worked as a sterile and specialty product intern at Merck & Co. At Purdue, he has worked in the Yang Neurological Disease Research Lab, Matosevic Immunotherapy Lab, Yeo Nanoparticle Drug Delivery Lab and Kimbrough Brain and Behavior Lab. He was an anatomy and physiology teaching intern for the College of Science and volunteered at IU Health Arnett Urgent Care and Dr. Tsai internal and pediatrics clinic in West Lafayette, Indiana.

Ian is currently applying to graduate school to pursue a doctorate in pharmaceutical science.

SEVENTH DIVISION

HONORARY DEGREE RECIPIENT

Carolyn Woo, Ph. D

Carolyn Woo was educated by the Maryknoll Sisters in Hong Kong and came to Purdue University in 1972 as a foreign student with one year of funding. With scholarships and fellowships, she was able to complete her Bachelors, Masters and Ph.D. in Strategy by 1979. After two years in industry, Carolyn was recruited back to the Purdue faculty. Soon after promotion to full professor, she was drafted into administration, first as director of the Master's programs in Business, and then as Associate Executive Vice President for Academic Affairs. Under her leadership, the Master's program achieved top twenty ranking in *Business Week* and she was cited as one of the Top Forty Leaders Under Forty by *Change Magazine*.

From 1997 to 2011, Carolyn served as dean of the Mendoza College at the University of Notre Dame. She focused on the college's Catholic identity and built the team and culture to systemically improve teaching, pursue curricula innovations, enhance placement of students and embed ethics in all business disciplines. These resulted in #1 rankings for the undergraduate program from *Bloomberg/Business Week*. She was elected the first female chair of AACSB International (accreditation association for business schools worldwide) and led the launch of the Principles for Responsible Management program with the United Nations.

Carolyn then joined Catholic Relief Services as CEO from 2012 to 2016. CRS undertakes humanitarian relief and sustainable development in over one hundred countries serving over a thousand programs annually to reduce poverty, diminish risk and foster prosperity. The areas include emergency relief, micro-finance, health systems, childhood development, education, agricultural productivity, empowerment of women, refugees resettlement, peace-building, capacity building of partners and beneficiaries, and impact assessment. In 2013, Carolyn was recognized as one of 500 of the Most Powerful People on the Planet by *Foreign Policy* and was one of thirty in the category of A Force for Good.

Carolyn is recognized for her teaching, research, service, and leadership through different awards and honorary doctorates. She received the top honor for her column on spirituality by the Catholic Press Association in 2013. Carolyn is a frequent contributor to Give Us This Day and the author of two books, *Working for a Better World* and *Rising: Learning from Women's Leadership in Catholic Ministries*.

EIGHTH DIVISION

HONORARY DEGREE RECIPIENT

Jennifer Rumsey

*Chair and Chief Executive Officer of
Cummins Inc.*

Jennifer Rumsey is the Chair and CEO of Cummins Inc., a global power leader that offers its customers a broad portfolio of innovative power solutions and technologies, including advanced diesel, natural gas, electric, and hybrid power trains; batteries; fuel cells; hydrogen production technologies; and related components. Rumsey oversees the strategic direction, growth initiatives and global operations for the 105 year old, Indiana-based company, which has more than 75,500 employees worldwide and achieved \$34.1 billion in revenue in 2023.

Rumsey has focused her 25 year career on advancing technologies and bringing products to market that power customer's success and make a positive difference in the world. She is passionate about building high-performing, diverse teams and has dedicated her time at Cummins to the development of others and creating an inclusive environment where people and innovation thrive.

Prior to serving as Chair and CEO, Rumsey served as President and Chief Operating Officer, where she co-authored Destination Zero, the company's strategy to go further, faster to reduce the greenhouse gas (GHG) and air quality impacts of its products. She has served in multiple leadership roles, including Vice President of Components and Chief Technical Officer, two roles where she oversaw the advancement and launch of many new products that continued to progress the company's efforts to reduce emissions while offering industry-leading performance.

Rumsey serves on the Board of Directors of Cummins Inc. and Hillenbrand. She is a member of the Business Roundtable and serves as the Chair of its Energy and Environment Committee. In 2020, Rumsey was recognized by the Society of Women Engineers for her contributions to engineering and efforts to create environments that attract and retain more women engineers. In 2023, less than one year into her role as CEO, Rumsey was named a recipient of the Women's Business Collaborative's CEO Excellence in Gender Equity and Diversity award and recognized as one of Fortune's Most Powerful Women, in addition to being inducted as a Society of Automotive Engineers Fellow in 2022.

Rumsey holds a Bachelor of Science in Mechanical Engineering from Purdue University and a Master of Science in Mechanical Engineering from the Massachusetts Institute of Technology.

ADVANCED DEGREES

Doctor of Philosophy

(Candidates for degree as of May 4, 2024)

Hazem U. Abdelhady, <i>Cary D. Troy</i>	Kristoffer B. Borgen, <i>John H. Mott</i>

THE JOHN MARTINSON HONORS COLLEGE

The John Martinson Honors College offers a dynamic and rigorous curriculum designed to challenge and inspire students. Graduates are recognized with a medallion worn at graduation ceremonies, an honors designation on their diploma, and notation on their academic record.

The following students, in addition to being candidates for a bachelor's degree, are also candidates for special recognition for the satisfactory completion of the requirements in the John Martinson Honors College.

DISTINCTION AND HIGHEST DISTINCTION

PROFESSIONAL AND UNDERGRADUATE DEGREES

The outstanding scholastic achievement of selected professional and undergraduate degree recipients is recognized by awarding the degree "with distinction" or "with highest distinction."

To be eligible for consideration, a graduate must have a minimum of 65 credit hours included in the graduation index for the professional or baccalaureate degree and 35 credit hours included in the graduation index for the associate degree, with a minimum graduation index of 3.30. The upper 10 percent of the graduates in each of the colleges or schools receive degrees "with distinction." Of the graduates who thus qualify, the upper three-tenths of the professional, baccalaureate and associate graduates receive their degrees "with highest distinction," regardless of the college or school from which they graduate.

The minimum graduation indexes thus determined in May for each college or school are applied for graduation "with distinction" and "with highest distinction" for the subsequent sessions. Recognition is evidenced by placing an appropriate seal on the diploma and entering an appropriate notation on the academic record. Graduates who are potential candidates for degrees "with distinction" wear gold honor cords; those who are potential candidates for degrees "with highest distinction" wear gold and black honor cords.

PURDUE FOR LIFE
FOUNDATION

*Every step has led
to this moment.*

As you start your next chapter,
remember that Purdue is always
here for you. Yesterday, today
and tomorrow. We are honored
to be a part of your journey.

Continue your education with a Purdue
University online graduate degree or
certificate.
